And it is also agreed that in the event of any default in payment or breach of any covenant or condition therein, the rents and profits of said premises are pledged to the party of the second part, or its assigns, as additional collateral security, and said party of the second part, or assigns, shall be entitled to possession of said premises by receiver or otherwise as they may elect. Said possession shall in no manner prevent or retard the party of the second part in the collection of said sums by foreclosure or otherwise.
