Provided, this mortgage is given to secure the payment by the part(y-ies) of the first part to the party of the second part, at its offices in the city of Wichita, Kansas, of the sum of \$12,500.00, with interest at the rate of five and one-half per cent per annum payable semi-annually, evidenced by a certain promissory note of even date herewith, executed by the part(y-ies) of the first part to the party of the second part, conditioned for the payment of said sum and interest on the amortization plan in 68 equal semi annual payments and a 69th or final payment, unless sooner matured by extra payments on account of principal pursuant to the provisions of the Federal Farm Loan Act and in accordance with amortization tables provided by the Federal Farm Loan Board, which promissory note further provided that all payments not made when due shall bear interest from the due date to the date of payment at the highest rate authorized by the State of Kansas, not exceeding eight per cent per annum.

Now if said part(y-ies) of the first part shall make when due, all payments provided for in said note, and perform all the conditions hereinafter set out, then this mortgage shall be void, otherwise to remain in full force and effect.

Part(y-ies) of the first part agree(s) to keep the buildings and improvements on the premises above conveyed insured in the sum of \$4000.00 in an insurance company to be approved by party of the second part, such policy or policies of insurance to be deposited with party of the second part and loss thereunder to be payable to party of the second part as its interests may appear.

In the event that part(y-ies) of the first part shall fail to pay any taxes or assessments against said premises when due, or to maintain insurance as hereinabove provided for, party of the second part may make such payments or provide such insurance, and the amount paid therefor shall become subject to the lien of this mortgage, and bear interest from the date of payment at the highest rate authorized by this State, not exceeding eight per cent per annum.

And to further secure the payment of said note, the part(y-ies) of the first part hereby assign(s) to the party of the second part, in whole or, at the option of the second party, in such amounts or such proportionate part or parts as the second party may from time to time designate, all the rents, royalties, payments and delay moneys that may from time to time become due and payable on account of any and all oil and gas mining leases or mineral leases of any kind now existing or that may hereafter come into existence covering the above described lands, and all moneys received by the second party by reason of this assignment shall be applied: first, to the payment of matured installments; and second, the balance if any, to the principal remaining unpaid; provided, that nothing herein shall be construed as a waiver of the priority of the lien created by this mortgage over any such lease made subsequent to the date of this mortgage.

If any of the payments in the above described note be not paid when due, or if part(y-ies) of the first part shall permit any taxes or assessments on said land to become delinquent, or fail to keep the buildings and improvements insured as herein provided, or apply the proceeds of this loan to substantially different purposes from those for which it was obtained, or shall willfully or by neglect permit any unreasonable depreciation in the value of said premises or the buildings and improvements thereon or shall sell, convey, remove or permit to be removed from said land from said premises any of said buildings or improvements, or shall fail to keep and perform all and singular the covenants, conditions and agreements herein contained, then the whole note hereby secured shall, at the option of the party of the second part, become immediately due and payable and this mortgage subject to foreclosure.

At any payment period after five years from the date hereof, part(y-ies) of the first part ha(s-ve) the privilege of paying any number of installment payments, or any portion thereof, on account of the principal of the debt hereby secured. Such additional payments are not to reduce thereafter the periodical payments herein contracted to be made, but are to operate to discharge the loan at an earlier date, by reducing the percentage applicable to interest and increasing the percentage applicable to principal.

Witness the hand(s) of the part(y-ies) of the first part the day and year first above written.
