

And the said parties of the first part expressly agree to pay the said note and the interest thereon promptly as each payment becomes due, and to pay all taxes and assessments against said premises when they become due; and agree that when any taxes or assessments shall be made upon said loan, or upon said party of the second part, or assigns, on account of said loan, either by the State of Kansas or by the county or town wherein said land is situated, the parties of the first part will pay such taxes or assessments when the same become due and payable; and that they will keep the buildings upon the above described real estate insured in such forms of insurance as may be required by the party of the second part in some solvent incorporated insurance company or companies approved by the said party of the second part, for a sum satisfactory to the party of the second part, or assigns, for the benefit of the party of the second part herein, or assigns, so long as the debt above secured shall remain unpaid, and make the policy or policies of insurance payable to the party of the second part herein, or assigns, as collateral security for the debt hereby secured.

And it is further provided and agreed by and between said parties hereto that if default shall be made in any payment of said note or interest thereon, or any part thereof when due; or if the taxes on said premises are not fully paid before the same shall become delinquent; or upon failure on the part of the party of the first part to pay the taxes or assessments upon the loan secured by this mortgage or the holder thereof, and insurance premiums as heretofore mentioned, then in such case, the whole of said principal and interest thereon shall, at the option of said second party, or assigns, become due and payable and this mortgage may be foreclosed at any time after such default; but the omission of said second party, or assigns, to exercise this option at any time or times shall not preclude said party of the second part from the exercise thereof at any subsequent default or defaults of said first part in payment as aforesaid; and it shall not be necessary for said party of the second part, or assigns, to give written notice of its or their intention to exercise said option at any time or times, such notice being hereby expressly waived by said party of the first part.

It is further provided that said party of the second part, or assigns, may at its or their option pay said taxes, assessments and insurance premiums on the failure of the party of the first part to pay the same as above mentioned, and the money so paid, with interest thereon at the rate of ten (10) per cent. per annum from date of payment shall be a part of the debt secured and collectible under this mortgage; and the said party of the second part, or assigns, shall, at its or their option, be entitled to be subrogated to any lien, claim or demand paid or discharged with the money loaned and advanced by the party of the second part and secured by this mortgage. And the party of the second part, or assigns, may pay and discharge any liens that may exist against above described real estate that may be prior and senior to the lien of this mortgage; and the money so paid shall become a part of the lien of this mortgage and bear interest at the rate of ten (10) per cent. per annum.

As additional and collateral security for the payment of said note the parties of the first part hereby assign to said party of the second part, or assigns, all the rights and benefits accruing to the parties of the first part under all oil, gas or mineral leases on said premises, this assignment to terminate and become void upon release of this mortgage. Provided, however, that the said party of the second part, or assigns, shall be chargeable with no responsibility with reference to such rights and benefits nor be accountable therefor except as to sums actually collected by it or them, and that the lessees in any such leases shall account for such rights or benefits to the parties of the first part, or assigns until notified by legal holder hereof to account for and to pay over the same to such legal holder.

In case of foreclosure, said party of the second part, or assigns, shall be entitled to have a receiver appointed by the court, who shall enter as to take possession of the premises, collect the rents and profits thereon and apply the same as the court may direct.

The foregoing conditions, covenants and agreements being performed, this mortgage shall be void and shall be released by the party of second part at the costs and expense of the parties of the first part; otherwise to remain in full force and virtue.
