Nellie Stewart: & h.	STATE OF KANSAS, DOUGLAS COUNTY, ss. This instrument was filed for record on the 24 day of
TO .	Jea & Wellman Register of Deeds.
Tatkins National Bank	ByDeputy
THIS INDENTURE, Made this twentiethay of Oct hundred and twenty seven (1927) between Nellie Stewart and Albers Stewart her	tober, in the year of our Lord, one thousand nine husband
of Lawrence in the County of Douglas part_ies. of the first part, and The Watkins National Bank,	of Lawrence, Kansas
WITNESSETH, That the said part 108. of the first part, in conside Three Thousand (\$3,000.00)	
	Grant, Bargain, Sell and Mortgage to the said part Y. of the second part,
The south one hundred (100) Fett of	Lots twenty one (21) and Twenty three (23) and
the east half of Lot twenty five (25) all in Block Nineteen (19) in that part of
of the City of Lawrence known as Wes	t Lewrence in Douglas County, Kansas.
2	승규는 방법을 가지 않는 것이 없는 것이 없다.
	그는 이번 것에서 잘 알려져서 잘 못 한 것이.
	동생 동생님에서 이번 것이 아직 다 귀엽 것이 집에 집에 집에 했다.
	전에 가지 못했는 것이 같아. 이렇게 잘 못했는 것이 같아. 것이 같아.
ith the appurtenances and all the estate, title and interest of the said part	iss of the first part therein.
And the said year. 1 .666 it is first year do hereby coverant and agrees that a scient of a good and indefrashible evistor of indervisions: therein, free and clear of all incumbrans of this they will warrant and idential the same arginant all prices maintig lacked class therein It is agreed between the ratics hereto that the part. 168 of the fort parts shall are used arginat maint entry there is a non-browness due and sprable, not it all 116 of the safe interview. And in the event that said part 168 , of the fort part shall be a 116 interview. And in the event that said part 168 , of the fort part shall have intermed regions and shall be related by the part of the second 117 if GRANY members in the most of the second part the spraw part shares and is equation within the start 100 . The Theorem Theorem Theorem Theorem 100 Three Theorem Theorem 100 , 50 , 500 , 500 . 118 contains of .000 eventian within obligationfor the payment of a second part of the sprame of class in the sprame obligationfor the payment of a 110 contains of .000 eventian within obligationfor the payment of a 110 contains of .000 eventian within obligationfor the payment of a 110 contains 1 .000 .	t the delivery hered, they are the lardid over- of the premises above granted, and exect the second secon
And the said yers. 1.266d its first yerd co hereby coverant and agrees that a scient of a good and indefensible evises of inderitance therein, fore and clear of all incumbrans and that they will assume that indefensible evidence of the second and the second arguing the It is agreed between the particle hereto that the part. 168. of the fort part shall as a second agrint and ford in the second here arguing all gravity in the second of by such interactions compary as a hall be repetided and directed by the part of the second 1128 interest. And in the court that and grave 168. of the fort part shall find to evident movinded the term $V_{\rm evid}$ the second fract the second 1128 interest. And in the court that and grave 168. of the fort part shall find to evident the second $V_{\rm evid}$ for the second fract the second in the second states and here the destines and shall be an interest is an entropy to some the second of the second Three Thouseand (\$\$3,000.000) recording to the terms of 000 entropy the grave $V_{\rm evid}$ (the second part, with all and $V_{\rm evid}$ is the terms of 000 entrins whitm oblightion of for the payment of a set of 000 entropy of the grave part of the second part, with all and by $V_{\rm evid}$ are particle by the grave $V_{\rm evid}$ (the second part, with all and by $V_{\rm evid}$ for the payment of a set of 000 entropy of the second part, with all and by $V_{\rm evid}$ for the pay bard by the grave $V_{\rm evid}$ (the second part, with all and by $V_{\rm evid}$ (the second part, by the grave $V_{\rm evid}$ (the second part, with all the second part of the second part of	t the delivery hereof. they are the hard over of the premises above granted, and contained the set of the indentume, pay all taxes or assessments that may be level or provide the premises above granted, and there the building upon aid real states insured against fire and toracio is such sum part, the low, if any made payle ho the part y of the second part to the exist of the second part to the exist of the the state of the part y = of the second part to the exist of the second part of the indettedness, second by this regard
And the mid part. 1686 the first part do hereby events at a grees that a ideal of a good and indefensible orisis of inheritance therein, fires and clear of all incumbrance do that they will successful and do the same springer that there making here do that they the is spreed between the particle here to that the part. 168 . of the first part shall as a spreed particular that did real the particle here to a set of particle lay the part of the events and particle is the particle here to be the second 118 interest. And in the event that said part 168 , of the first part shall first on the particle here the part 168 . of the first part shall first on the particle lay the part 168 . of the first part shall first on the particle lay the part 168 . of the first part shall first on the particle lay the part 168 . of the first part shall first on the particle lay the part 168 . of the second part the part part of the second 1718 GRANT in intered as a monetage to spread the particle lay the part of the part second 169 . There 570 more that which the part 169 . Of the second part, with all more 169 . of the first part 160 more than a broaded in the base of part with all the 160 more 160 . Other spreads at the second part to be part and the second second by the and particle with research parts of the theory on 161 because the sum remains upwell, and all of the base part theory of the part of the theoret of any obligation correctly thereby, contrares theorem, or if the theorem must be there and because the and particle at the orthogo the south particle with the cost and theorem theorem 161 because the second particle at the orthogo the south part theorem, be the strend the orthogother of the south part theorem, be the strend the orthogother in the cost and theorem theorem 161 because the and the orthogother and part theorem and the method the orthogother and part theorem 161 because at all the theorems theorem and the theorem and theorem theorem theorem and theo	t the definery hered. they are the hards over _ of the premises above granted, and constrained the set of this indication, pay all taxes or assessments that may be level or
And the mid part $\frac{1}{200}$ the first part do hereby events at all agrees that y ideal of a good and indefeatible evides of inheritance therein, free and least of all incumbrance does not be the same because therein, free and least of all incumbrance and the static of the same because data and the same that the same the same the same that the same does not be the same of the first part she has a single at the same because data and parable, and that $\frac{1}{2000}$ and $\frac{1}{20000}$ and $\frac{1}{200000000000000000000000000000000000$	t the definery hered, they are the hards over _ of the premises show granted, and the definery hered, they are .
