MORTGAGE RECORD 74

FROM	STATE OF KANSAS DOUGLAS SOUTH
	STATE OF KANSAS, DOUGLAS COUNTY, sa. This instrument was filed for record on the31 day of
Sen E. Puckett and wife	August A. D. 1928 at 4:45 P. M.
ΤΟ	9 sa E Wellman Register of Deeds.
Lawrence National Bank	By
THIS INDENTURE Made this 30th day of	August , in the year of our Lord, one thousand nine
indred and twonty-eight between	
Ben E. Packett and Gertrude Fuckett, hi	
Lawrence in the County of Doug1 art ies of the first part, and The Lawrence	National Bank
	party of the second part.
WITNESSETH. That the said part 100 of the first part, in Mitteen mundred and $no/100$	e do
	Lxty-five (165) feet of the South fifty (50) feet of
	feet thereof for a street, all in Block three (3),
South Lawrence, an addition to the City of	Lawrence, Kansas.
ith the appurtenances and all the estate, title and interest of the s	ssid part_\$2\$, of the first part therein. The that at the delever hereof \$20 y. D70 the lawful over \$. of the premises slove graded, and
And the mill part 108B of the first part do hereby overant and age used of a good and indefensible sense of inheritance therein, free and clear of all bit that they will serman and defind the main spin at all parties makings bueful do it is agreed between the parties hereto that the part 108B of the first part is a greed between the parties hereto that the part 108B of the first part	gree that at the delivery hereof
And the sail part. \mathbf{LGB} (the first part δ_{m-1} briefly coverant not as not of a good and indefensible exists of infertiment therein from order of coll of this taby all summary and defend the same argins all partse making hereful It is argued interest the terms herein the part \mathbf{LGB} , of the first parts seed arguing all used to the terms herein the and requires guid by by ach insummer company as shall be received and directed by the part of \mathbf{LGB} .	gree that at the delivery hereof Likely. BT0 the lattice energy, of the premises noise priority, and incombinese. In the continuese during the lafe of this indentices, pay all taxes or assuments that may be irried or a half at all times during the lafe of this indentices, pay all taxes or assuments that may be irried or into the control part, the loss, if any, make payahls to the part. \underline{Y}_{int} of the second part to be related or in fail to be very only have been been as and on the part. \underline{Y}_{int} of the second part to be related or in fail to be very only have when the mane become due and payahls and to been and percenters incored as
And the skil part. $\hat{\mathbf{L6}}$ the first part $\hat{0}_{}$ hereby covenant nod as inset of a pool and indicastillo exists of inferithance therein, first and descrift all the indicastillow in the interface the term indicastillow in the interface in a graved heterone the particle here to be at the part $\hat{\mathbf{A}} \hat{\mathbf{C}}$, of the first par- sected axplott aid real ratios here to hat the part $\hat{\mathbf{A}} \hat{\mathbf{C}}$, of the first par- sected axplott aid real ratios has the terms due much particle, gain it is parent heterone company as shall be specified and directed by the part of 1 $\hat{\mathbf{A}} \hat{\mathbf{C}}_{}$ interest. And in the event hat an skip part $\hat{\mathbf{A}} \hat{\mathbf{C}}_{}$ of the first part a destine rate of shall here interest as the shear of parts from the data of represent. THIS OUNCE to main data as a more of part of parts of the start of represent.	gree that at the delivery hereof LLEY. BIT the lattice event w. of the premises noise priority and incombinese. In a ball start during the life of this indexine, pay all taxes or assessments that may be letted or that. They, FillNey the building upon and real exists incored against for and tormado in such som the second part, the loss, if any, made payable to the part. Y
And the skif part. $\hat{\mathbf{L6}}$ the first part δ_{c-1} briefly coverant to $\delta_{\mathbf{L}}$ used of a good and indefensible extate of inferitance therein, first and dear of all at that they will seem and and defind the same arplice all parts making hard $\delta_{\mathbf{L}}$ is a greed between the parts hereio that the part $\mathbf{L6}$, \mathbf{S} , of the first part second axplicit and red to the shown its mass becomes does and payable, got it is particle and red to the shown its mass becomes does and payable, got it is particle and the covert that same part $\mathbf{L6}$, of the first part is interest. And in the event that same part $\mathbf{L6}$, of the first part is interest, then the part \mathbf{L} of the second parts are payment of the same interfaces hundlered a mind part $\mathbf{L6}$ form the data of payment $\mathbf{L1}$ theore hundlered a mind payable grade source of the same interface is an $\mathbf{L1}$ theore hundlered $\mathbf{L1}$ and $\mathbf{L1}$ because the the source of the same interface is an $\mathbf{L1}$ theore hundlered $\mathbf{L1}$ and $\mathbf{L1}$ because the same intermed in the same interface is an $\mathbf{L1}$ theore hundlered $\mathbf{L1}$ and $\mathbf{L1}$ because the same intermed in the same of the same interface is an excite and $\mathbf{L1}$ because the same interface is a same interface in the same interface in the same interface is a same interface in the same interface interface in the same interface	are that at the delivery hereof LLEY. BTO the lattice event w. of the premises noise priority the incuminatese incuminatese incuminatese int thereto. In a bill as all times during the life of this inductive, pay all taxes or assessments that may be irried or intal. they, WILNey the buildings upon said real exists insured against for and tormado in such sum the second part take so, it say, made payable to the part
And the sold part. 168 of the first part δ_{con} briefly coverant and a used of a good and indefensible exists of inferitance therein, first and dear of all of that they all sensations and defend the same spinst all parties making hard of the integral between the parties hereico that the part 168 , of the first part sensed against and ref rather shows the mass becomes does and regular, god the 15 particular between the parties hereico that the part 168 , of the first part 16 particle and the part 16 parties 17 part 17 parties 17 part	are that at the delivery hereof LLEY. BTO the lattice event 0, of the premises noise priority the incuminatese incuminatese incuminatese int thereto. In a bill set of the indexistic property all taxes or assessments that may be briefed or hast. they, WILNey the buildings upon and real exists incured against for and terms to in such sum the second part the loss, if any, made payable to the part
And the soil part. CB of the first part 6 having coverant nod as used of a good and indefensible exists of inferitance therein, for and device full this takey ull examine and defend the same variate all parties making herein II is argued interest the terms that the part 426 , of the first ran sevend agriculat state when the same forwards east of an expansion, with a by arb insumme company as shall be recrified and directed by the part of 126 Interest. And in the event that soil part 168 , of the first part are previded, then the part. 9 of the second pert case ray the state THIS GUART in interests when the recrified and directed by the part of 126 Interest. 9 of the second pert case ray making that 126 Interest, 126 , the part 126 , of the first part at the part interest of the part. 9 of the second pert case ray making that 126 Interest, 126 , the part 127 , 127 , the part of the maximum of 120 retain written obligation for the part of 129 , 129 , the term and 129 , 126 , the second pert the part of the 129 (at the part 129 , the part 127 , of the second pert 129 , 129 , the part 129 , the second pert of the part of 126 (at the term and part 128 , the the second pert term for part 127 (at previous) depression for the wavel of the base part of the second pert of the part of 128 , previous the part, 129 , the second pert of the second pert the part of parts are the previous the parts are shall part 128 (at the second pert the part of parts are the part of the base part 129 (at the parts pert 129 , the part 12	are that at the delayer hereof Likely. BT0 the lattice ends 0, of the premises noise particulations formulations in multiple intervals. Limit therein. In a hold at all times during the late of this indicators, pay all taxes or assuments that may be irrited or in a hold at all times during the late of this indicators, pay all taxes or assuments that may be irrited or indicators. The second part, the loss, if any, made payahls to the part. \underline{Y}_{-} of the second part to be extent of the second part, the loss, if any, made payahls to the part. \underline{Y}_{-} of the second part to be rested of all during our parts that when the amount as paid shall become a part of the indicators, second by this of the second part, the second case to be the taxet of the indicators, second by this of the second part of the second case to be the taxet of the indicators, second by this of the second part of the second case to be the taxet of the indicators, are trained as the second part of any indicator parts of the second case to be the taxet of the indicators, are trained as the second part of the indicator parts of the second case to be the taxet of the indicators are part of the indicators, are the part of any instruction of motory, exceeded on the <u>Stability</u> of <u>Artigitation</u> 10.2 LARS, and the disclose contends there indicator is and payahls, or if the instruction of any of and end end or the ord, and the same backers down and payahls, or if the instruction of any of the disclosed contends there into the part of the indicator of the same pay of the indicator
And the soil part.
