MORTGACE RECORD 74

y of le.

art.

10142

FROM	STATE OF KANSAS, DOUGLAS COUNTY, sa.
Samuel S. Elliott and wife	This instrument was filed for record on the 28 day of
TO	Sept A. D. 1929, at 4:20 P. M. Elie & Compliance
National Contraction of the Cont	Register of Deeds.
Lawrence National Bank	By
THIS INDENTURE, Made this 23rd day of	September, in the year of our Lord, one thousand nine
Samuel S. Elliott and Jeannette H.	Elliott husband and wife
of Lowrence in the County of	Douglas and State ofKonses
part 105 of the first part, and Lawrence National	Benk of the second part.
WITNESSETH, That the said parties, of the first part, in o	consideration of the sum of
Three Thousend and no/100 which is hereby acknowledged, ha.ve sold, and by this indenture the following described real estate situated and being in the County	DOLLARS, toduly paid, the receipt of do Grant, Bargain, Sell and Mortgage to the said part of the second part, y of Douglas and State of Kanasa, to-wit:
The East half (E_2^1) of Block Fifty One	(51) West Lawrence in the City of Lawrence, less tract
deeded to Douglas County Kansas.	
And the said part_125 of the first part do - hereby covenant and age	ree that at the delivery hereof they are the lawful owner = of the premises above granted, and
And the said part 122.07 the first part do $\underline{-}$, hereby covenant and agree wind of a good and indefenable state of inferinsers therein, first and denote all if and that they will variest and defend the same separate all particle hard de in It is agreed between the particle herein that the part $\partial \Omega_{i}$ of the first part assessed against and real state as the the same become due and rapidle, and the and by such manners company so that he precided and denoted by the part of this of the part of the first state is state at the order of the first part of the part of the first part of the same become due to the state of the order bars of the same state of the same bars of the same become due to the first part of the same state of the same bars of the same bars of the same state of the same state of the first part of the same state of the same state same bars of the same state state of the first part of the same state state same state is a same state state state of the same state states state	We that at the delivery hereof. they. CTC the lawfid owner $=$ of the premises above granted, and an thereto. A while at it turns during the life of this indenture, pay all taxes or assessments that may be levied or at they. $\pi \pm 1$ here the buildings upon and real state insured against firs and tormado is not sum be second part, the loss, if any, made payable to the part \underline{Y} — of the second part to the estimat of d (at to may one though there there are been do mad the problem of the three mad be second part to the estimat of d (at to may one though there there are been do mad to problem of the been do more a second part to the estimat of d (at to may one though there there there been do mad to problem of the bree mad pressing insured as
And the usit part $\frac{1}{2}$ C26 of the forp rat do $-$ hordy evenus that are using of a good and indefinition evalue of inderivative thermin, free and else of all is agreed between the particle means partial all particles maning hold of It is agreed between the particle hereto that the particle $-$ of the first part assessed against and area instate is more than and hord of the data of the the particle of the particle hereto that the particle $-$ of the first part and by such interactions compary as that has particle and directed by the part of the the particle of the part $ -$ of the second part may part in taxes and independent of the part $ -$	we that at the delivery hered. the $U_{-} \otimes T \oplus $ the kerfd over $=$ of the premises above granted, and incumbrates in there is a second
And the said part 1220f the first part do briefly coveness and are wind of a good and indefendite state of laberitance therein, first and due of all and that they will warrest and defend the same argument all parts making here do it is agreed signits and ered matic herets that the part(0.2) of the first parts assessed against and ered matic herets that the part(0.2) of the first parts and by such instances concepts via hill be period and directed by the part of the laber in provided.
