MORTGAGE RECORD 76

Carlinson and

J

229

FROM	STATE OF KANSAS, DOUGLAS COUNTY, II.
William Harvey and wife	This instrument was filed for record on the 24 day Jonuory A. D. 19, 51, at 11:05 clock A. M.
то	Elsie & Constrang Register of Deed
Lawrence Building & Losn Assn	
THIS INDENTURE, Made this twenty undred and thirty-one William Hervey and	secold of January , in the year of our Lord, one thousand a between
	County of Douglas and State of Kansas
arties. of the first part, and The Lawr	ence Building and Loan Association and State of Assess
	of the first part, in consideration of the sum of
Four hundred which is hereby acknowledged, ha.ya sold, a he following described real estate situated and	nd by this indenture do Grant, Bargain, Sell and Mortgage to the said part_y of the second p being in the County of Douglas and State of Kansas, to-wit:
	the morth fourteen (14) feet thereof and Lot seven (7) in Fourteen (114) in the city of Eudore, Kenses.
And the mid parties of the first part do	and interest of the said part_122 of the first part therein. hereby coverant and agree that at the delivery hereof $\frac{\ln e_{ij}}{\ln e_{ij}} = \frac{\ln e_{ij}}{\ln e_{ij}}$ the last downer $\frac{h}{h}$ of the premises above granted, ref. free and does of all incumbrance
And the mid parters of the first part do	hereby covenant and agree that at the delivery hereof $\frac{\ln e^{i\omega}}{\ln e^{i\omega}} = n \cdot e^{i\omega}$ the lawful over $\frac{E}{i\omega}$ of the premises above granted, resis, free and does of all incumbrance
And the mid parth $\frac{d}{d} = 0$ of the first part do- ised of a good and indefeatible estate of inheritance the old that they will warrest and defend the same spinost all It is agreed between the parties barres that the part is barred apping and real estate when the same becomes	hereby covenant and agree that at the delivery hereof the <u>UNP</u> of <u>P</u> the lawful over $\stackrel{e}{=}$ of the premises above granted, remin, free and desc of all incumbrance .
And the mid paral 00 of the first part do sized of a good and indefenable entate of inheritance the add that they will warrants and defend the same spatiant all It is agreed between the parties hare to dath the part messed spinst axid real settle when the same becomes on the type moth magninese company as shall be specified and df 12.0 interest. And in the event that and part.	hereby covenant and agree that at the delivery hereof $\frac{1}{10} e^{ijk} \cdot e^{ijk} e^{ijk}$ the lawful over $\frac{1}{2}$ of the premises above granted, prefix mand due of all incumbrance. JECS of the fact parts shall at all times during the life of this inductors, pay all taxes or assessments that may be levied due and payable, and that $\frac{1}{10} e^{ijk}$ will here the buildings upon and real states here it gains for and tornado in such intend by the part $\frac{1}{2}$, of the second part, the loss if any, made payable to the part $\frac{1}{2}$ of the second part is the state $\frac{1}{2}$ of the fact what that $\frac{1}{2}$ or pays it taxes when the same bover due and payshe and to keep mail permises hereis
And the mid parallel of the first part do erised (r a good and indefendible erates of inheritance the ad that they will warrant and defend the same segment all I is agreed between the particular barrier do that the part assessed arguing and real statics when the same becomes on the years hearing on the same becomes on the years hearing on the same barrier of the the latter of the same segment of the same segment and like the same segment of the same segment and like the same segment of the same segment are like same segment of the same segment of the like same segment of the same segment of the same segment of the like same segment of the same segment of the same segment of the like same segment of the same segment of the same segment of the like same segment of the same segment of the same segment of the like same segment of the same segment of the same segment of the like same segment of the same segment of the same segment of the like same segment of the same segment of the same segment of the like same segment of the same segment of the same segment of the like same segment of the same segment of the same segment of the like same segment of the same segment of the same segment of the like same segment of the same segment of the same segment of the like same segment of the same segment of the same segment of the like same segment of the sam	hereby covenant and agree that at the delivery hereof $\frac{12.6 \text{ M}}{2} = 0.1^{46}$ the lawful over $\frac{5}{2}$ of the premises above prated, refers, free and does of all incumbrance
And the mid parallels of the first part do tried (r a god and indefendible entries of information the additional states of the state of the state of the states and that they will warmed and defend its many states of the states of the states of the state of the states assessed arguing and real states when the same becomes on the states of the states of the states of the states of the states of the states of the states of the states is stated with the state of the states of the states is states of the states of the states of the states is states of the states of the states of the states of the states of the states of the states of the states of the states of the states of the states of the states of the states is states of the states of th	hereby covenant and agree that at the delivery hereof $\frac{15}{10}$ $e^{-0.16}$ the lawful over $\frac{5}{2}$ of the premises above prated, pratice making herein data therein. $\frac{12}{20}$ of the fact part shall at all times during the life of this industors, pay all tases or assessments that may be bried that and psychic and this 15 ($e^{-0.16}$) $e^{-0.16}$ and $e^{-0.16}$ $e^{-0.16}$ ($e^{-0.16}$) $e^{-0.16}$
And the mid part 0.0 of the first part dom- sized (is good and indefendible entate of inderstance the additional states of the state of inderstance the additional states and defend the survey states of the second signal states and the state of the state of the second signal states are additional to be survey of the second signal states are stated and the second and additional states are additional to be survey of the second signal states are additional to be survey of the second signal states are additional to be survey of the second signal states are added and the second states additional states are additional to be second and additional states are additional to be second and additional states and additional to be second and additional states and additional to be second additional additional states and additional states and additional to be second additional states and additional states additional states and additional states additional s	hereby covenant and agree that at the delivery hereof $\frac{15.0 \text{ eV}}{10.0 \text{ eV}} = 0.1^{46}$ the last of ever $\frac{1}{2}$ of the premises above prated, pratice making hered ideas therets. $\frac{10.26}{10.00000000000000000000000000000000000$
And the mid part 0.01 of the first part dotted and the mid part 0.01 of the first part dotted and that they will warrant and defined the mass excited mit It is great between the parts have to that the part assessed against mid real stutice when the ware become in do by such harpares company as shall be precised and the liter interest. And in the event that mid part 1 emin provided the part 1. The output of the first THIS GUARN is instead as a source part of the first THIS GUARN is instead as a source part of the first the start of the part 1. The output of the first To the start of the part 1. The output of the first the start of the part 1. The start of the part 1. The first of the part 1. The start of the part 1. The output of the part 1. The start of the part and the start parts while the start of the part 1. And the accurate high final to pay the same at the first of the first part the buildings on and real ward output of the start	bardly coverant and arrow that at the delivery hereof $\frac{15.0^\circ}{10^\circ} = 0.1^\circ$ the last of over $\frac{5}{6}$ of the premises show parted, trein, free and else of all incumbrance particle making bird dath theres. 14.0.5 of the first part shall at all times during the life of this inclusive, pay all tarse or assessments that may be level that and payable, and that $\frac{1}{10^\circ}$, will likely the building around argued at the second part is the estimation 14.0.5 of the first part shall find to pay ands tarse when the manse below in the part $\frac{1}{2^\circ}$ of the second part is the estim- 20.0 of the first part shall find to pay ands tarse when the manse below in the part $\frac{1}{2^\circ}$ of the second part is the estim- 20.0 of the first part shall find to pay ands tarse when the manse below in the part of the indeficience, second by m the date of payment with fully repaid. by pay and tarses and insertions, or either, and the amount as pidd shall below a part of the indeficience and part. All of the second part, whi all interest securing therea seconding to the term of shall colligation and do in second reset to its during the second in a the second is and the second part to be the second part, whi all interest securing therea seconding to the second at the second reset to be provided in the interest. Provided in the interest and the second are not the site with interest throw is a bread provided, in the event when the second reset to be one of and pay and the second are not pay and the second are not pay is the second are not pay and the second are not pay and the second and are not pay and the second are not pay a
Add the mid park 0.2 , of the first part 0.2 , inted if a good and indefaulties entate of industriance the of the they will array that the first the part in It is agreed between the parties hereto that the part means adjust and real solate when the more becomes of od by such interprets. And in the event that mid part 1. the interpret is the part 1. the parties of the part 1. the part of the part 1. the parties of the part 1. The part of the part 1. FOUL hundred	body coverant and areas that at the delivery hereof $\frac{15.0^\circ}{10^\circ}$ where $\frac{15.0^\circ}{10^\circ}$ is the herd over $\frac{5}{5}$ of the premises above prated, wrin, free and else of all incumbrance
And the mid part ⁴ C =_ of the fort part do tied (is good and indefaultie entries of inductance the old that they will entries in a difference of the same spint and I is agreed between the parties harris that the part mesod against said real statist when the same between it of by such largering company as shall be precided and by the particle of the same spint and the same spin and it is agreed between the parties are statistically and the particle of the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the spin and the same spin the same spin and the sam	bardly coverant and arrow that at the delivery hereof $\frac{15.0^\circ}{10^\circ} = 0.1^\circ$ the last of over $\frac{5}{6}$ of the premises show parted, trein, free and else of all incumbrance particle making bird dath theres. 14.0.5 of the first part shall at all times during the life of this inclusive, pay all tarse or assessments that may be level that and payable, and that $\frac{1}{10^\circ}$, will likely the building around argued at the second part is the estimation 14.0.5 of the first part shall find to pay ands tarse when the manse below in the part $\frac{1}{2^\circ}$ of the second part is the estim- 20.0 of the first part shall find to pay ands tarse when the manse below in the part $\frac{1}{2^\circ}$ of the second part is the estim- 20.0 of the first part shall find to pay ands tarse when the manse below in the part of the indeficience, second by m the date of payment with fully repaid. by pay and tarses and insertions, or either, and the amount as pidd shall below a part of the indeficience and part. All of the second part, whi all interest securing therea seconding to the term of shall colligation and do in second reset to its during the second in a the second is and the second part to be the second part, whi all interest securing therea seconding to the second at the second reset to be provided in the interest. Provided in the interest and the second are not the site with interest throw is a bread provided, in the event when the second reset to be one of and pay and the second are not pay and the second are not pay is the second are not pay and the second are not pay and the second and are not pay and the second are not pay a
Ad the mid park $@$ of the first part do side (is good and indefaultie entropy of inheritance the dist to they off uncerns, and defends the mass spints at It is agreed between the parties hereto that the part assessed against and rail static when the mass becomes in do by such large-root company as shill be precided and by the parties of the parties are assessed and the part of the second provided, the part of the second part of the parties of the part of the second part of the parties of the part of the second part of the parties of the part of the second part of the part of the part of the part of the part of the parties of the part of the the part of the part of the part of the part of the part of the part of the part of the part of the part of the part of the part of the part of the part of the part of the part of the part of the part of the part	hereby covenant and agree that at the delivery hereof $\frac{15.0 \times 10^{-10}}{10.0 \times 10^{-10}}$ the lawful event $\frac{1}{5.0}$ of the premises above prated, provides making inefficient data therets. $\frac{1}{10.05}$ of the fact part shall at all times during the life of this inductor, pay all tases or assessments that may be level data and psychia, and this? $\frac{1}{10.00} \sqrt{10.01}$ by buildings upon and real crists hourd against fine and tormade in may lifeticed by the part $\frac{1}{10.00} \sqrt{10.01}$ model. The buildings upon and real crists hourd gainst fine and tormade in may lifeticed by the part $\frac{1}{10.00} \sqrt{10.000}$ model. The part $\frac{1}{10.000} \sqrt{10.0000}$ model and $\frac{1}{10.0000} \sqrt{10.00000}$ model in the extent $\frac{1}{10.00000}$ of the fact part shall at 10 pay such taxes when the same become due and real crists hourd against fine and tormade in may $\frac{1}{10.000000} 10.00000000000000000000000000000000000$
Add the mid park 0.9 of the fort part do issed it's good and indefaulties ents of inhibitance the dot that they will ensure inhibit all It is agreed between the parties harvie that the part messed against and real entate when the most become in do by such intermets and defend the barries during the diring in provided, then the part is the parties and the intermet. And in the event that and part is ensure against and they are the same the part is deturn, and shill beer interver it the same life for THIS GIANT is intered as a mortigent to some a same of the same of the same target of the form and more statement of the same target. The same of the same of the same target of the same is a provided before the target of the same again of the same of the same of the same again. The same of the same of the same again. The same of the same target of the same again the same of the same again the same again. The same of the same again the same again the same again the same of the same again the same again the same again the same again the same again the same again the same again the same again the same again the same again the same again the same again of principal again the same again the same again to the same again of principal again the same again the same again the same again again the same again the same again again again the same again again the same again aga	bereby evenant and agree that at the delivery here $t \frac{15 eV}{10} \cdot 0.16^{\circ}$ the last of even E of the premises above prated, trees, for and doer of all incombranes.
And the mid part ⁴ C =_ of the fort part do tied (is good and indefaultie entries of inductance the old that they will entries in a difference of the same spint and I is agreed between the parties harris that the part mesod against said real statist when the same between it of by such largering company as shall be precided and by the particle of the same spint and the same spin and it is agreed between the parties are statistically and the particle of the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the spin and the same spin the same spin and the sam	bereby evenant and agree that at the delivery hered: $\frac{15}{10} e^{-1} e^{-1}$ the last denser $\frac{1}{2}$ of the permises above prated, trees, for and dear 64 all incombenses incrimes making brief data thered. $\frac{1}{2} e^{-1} e^{1$
And the mid part ⁴ C =_ of the fort part do tied (is good and indefaultie entries of inductance the old that they will entries in a difference of the same spint and I is agreed between the parties harris that the part mesod against said real statist when the same between it of by such largering company as shall be precided and by the particle of the same spint and the same spin and it is agreed between the parties are statistically and the particle of the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the same spin and the spin and the same spin the same spin and the sam	bereby evenant and agree that at the delivery hered: $\frac{15}{10} \text{eV}^{-0.16}$ the last denser $\frac{1}{2}$ of the permises above prated, trees, for and dens of all incumberses [
And the mid part 0.01 of the first part 0.0 aind (* a god and indefendible entries of inderivative the all that they will warmed and defend the mars spinnt all It is agreed between the parties have to data the part assessed arguing and real states when the mars becomes on the years harpen company as shall be repeired and to 1.51 migreed between the parties that mid part 1. arguing provided, then the part 1.01 of the second part THIS GRANT is initiated as a moringer to second part THIS GRANT is initiated as a moringer to second part THIS GRANT is initiated as a moringer to second part THIS GRANT is initiated as a moringer to second part THIS GRANT is initiated as a moringer to second part THIS GRANT, in initiated as a moringer to second part and 1.02 of the fort part shall fail the pay the sum as 1.02 of the fort part shall fail to pay the sum as art there of a may obligation created thereby, a interest before a sub the whole sum remains queued, and all of a there and becomes of parts and all of the second part of the part is the option of the before a second the therefore, and to sell be previously moment the magned of participate and the second parts and moment the magned of participate and the before.
