Reg. No. 1208

	STATE OF KANSAS, DOUGLAS COUNTY, s.
Jerome B. Johnson TO	This instrument was filed for record on the 14 day of Feb. A. D. 1931, at 3:15 o'clock P. M.
	Olic & Constraint Register of Deeds.
Lawrence Building and Loan Association	Deputy.
THIS INDENTURE, Made thiFourteenth day of. Febru hundred and thirty one between Jerome B. Johnson and Minnie G. John	
of Lawrence in the County of Douglas part ics of the first part, and The Lawrence Building an	and State of Knnsns
WITNESSETH. That the said part 169 of the first part, in conside	part les of the second part.
Fifteen hundred	DOLLARS, to them duly paid, the receipt of Grant, Bargain, Sell and Mortgage to the said part y of the second part,
The south Tax (10) fast of Lat One hundre	d and (101) an Warmont Streat and all of Lat
One hundred three (103) Vermont Street, in	d one (101) on Vermont Street and all of Lot
one hundred timee (10), termont otreet, in	n Davience, Adnosse
with the appurtenances and all the estate, title and interest of the said part	
And the said part 128 of the first part do hereby covenant and agree that a	at the delivery hereof they are the lawful owner B of the premises above granted, and
And the said part 128_of the first part do hereby covenant and agree that a select of a good and indefeasible estate of inheritance therein, free and clear of all incumbran	at the delivery hereof they are the lawful owner. B of the premises above granted, and note
And the said part \$26E of the first part do hereby covenant and agree that a select of a good and indefensible estate of inheritance therein, first and dear of all incredents and that they will warrant and defend the same significant all parties making lawful daim there it. It is agreed between the parties hereto that the part \$26E. of the first part shall as	at the delivery hereof they BTC the level over .B of the premise above granted, and not the
And the mid part.26.2. of the first part do hereby convents and agree that a mined of a good and indefensible state of inheritance therein, first and obser of all incombran and its the very will arrants and defined the manue spinster in parties making index do laten there is a graved between the parties hereto that the part 26.2. of the first part shall as a immeder gainst mid real setties when the manu becomes due and payable, and that 21.102 and by much impartsee company as also be previous due for the due to the trans- tant of the minimum setties of the spinster and index due to the due to the spin the state the spin	at the delivery hereof they_BTC_the leveld event.B of the premises above granted, and the delivery hereof the life of this indexture, pay all taxes or assessments that may be leveld or y_wflltheep the buildings spon and real static insured against for and torande in such sum cored part, the low, if any, nade spatials to the part_join the scenario static take estimat of the second part, the low, if any, nade spatials to the part_join the scenario static take estimat of the scenario static take one of the scenario static take estimat of the scenario static take estimatest of the scenario static t
And the said part ACE. of the first part do hereby covenant and spres that a side of a good and indefendable setate of inderivance dorsin, for said doar of all incendens and that they will warrant and defend the same spinst all parties making lawful claim there. It is agreed between the parties before that the part iEE. of the first part shall as immed against said real estate when the same becomes dae and payable, and that three and by much inpurance company as shall be specified and directed by the part_y_of the so 11 a	at the delivery hereof they_BTC_ the level over \mathcal{B} of the premises above granted, and and and and and and any and any and any and any and any and any and any and any and any and any and any and any any any and any any any any any any any any any any any any any any any
And the mid part $\Delta E I$ of the ferm part do hereby convents and agree that a mined of a good and indefensible state of inheritance therein, free and dear of all incombran and that they will warrant and defend the same signist all parts making lawford data there is it is agreed between the particle herein that the part $\Delta E I$. of the first part had a size state is a significant of parts in the same becomes due and that $\Delta E I = 2000$. The size of the same significant is a size of the same significant of the same significant of the same size of the same s	at the delivery hereof they_BTC_ the level over \mathcal{B} of the premises above granted, and and and and and and any and any and any and any and any and any and any and any and any and any and any and any any any and any any any any any any any any any any any any any any any
And the mid part $\Delta \Omega = 1$ of the first part do hereby covenant and spine that a similed of a good and indefenable setted of inderivance durin, forward due of all incombines and that they will warrant and defend the same spinnt all parties making lawful claim there. It is agreed between the parties before that the part $\Delta \Omega = 10^{-2}$ of the spin and $\Omega = 10^$	at the delivery hereof they_BTC_the lowful over .B of the premises above granted, and not it. So it inset during the life of this indenture, pay all taxes or assessments that may be levied or y_wflllkep the buildings upon and rul estate insured spinst for and torated in such aum second part, the low, if any, made payable to the part of the second part to the estant of o pay crimb taxes when the same beame due and payable and take pain dipromes insured as exp, or eithur, and the annount so paid shall become a part of the indebtedness, second by this y replate.
And the mail part.2.6.1 of the form pert do hereby convents and argue that a mained of a good and indefensible states of inderitance therein, first and other of all incombran and it is they write investment and defend the answer against at parties making index of a limit of the state becomes due and parties making index of the first part shall at its inserted against and real states when the screet becomes due and parties along that that $\frac{1}{100}$ and $\frac{1}{100}$ an	at the delivery hereof they_ATE_the leveld erner_B of the premises above peaked, and the at time during the life of this indexture, pay all tasse or assessments that may be leveld or y_willhave the buildings spon and real state insured spins the and torade in such num- coord part, the low, if any, nade spayable to the part_N_of the second part is the entent of pay rich tarse when the same become due and poysible and to keep mid premises insured as use, or either, and the annum to paid shall become a part of the indettedness, neural by this pay rich more money, essented on the <u>14thavy of February</u> 133
And the mid pertAEL of the fort pert do hereby correction and argue that a finite of a good and indefensible state of inference therein, for and does of all incombens and that they will measure and defend the same against all pertain making hered 20 million of the first part aball as inserted against and real state when the parts herein that the pertited and directed by the pert. $\omega_{\rm eff}$ and $\omega_{\rm eff$	at the delivery hereof they_ATE. the leveld event B of the premises above peaked, and the delivery hereof the life of this indexture, pay all taxes or assessments that may be leveld or y. Till these the buildings upon and real static insured against first and torated in such target or the delivery of the life of this indexture, pay all taxes or assessments that may be leveld or y. Till these the buildings upon and real static insured against first and torated in such target or or static, its out, if any, nucle symphole to the part_1. Joint the scenario to the extent of p ay such three when the assess become due and psychic due to the park in the state of the part is the state of the psychic state of the indexture assessment as y, regard. and mum of money, executed on the 14 theory of February is 30 due to seven any may and all instruction theory as the state the term of mid-thighted in a the terms and the intervent there and is the present and the state the state the term is the present of the state the state the state of the state present of the state theory is a state of the indexture theory as the state present.
And the mid periALE of the fort peri do hereby covariant and argue that a mined of a good and indefensible states of inderitance therein, for and doer of all incombran and that they will measure and defined the same arguint all periods making backword that the II is argued between the period here to that the period and directed by the period. The and by and ignorizes company as also the same becomes due and payable, and that hilling and by and ignores company as also the same becomes due and payable, main that hilling their periods, the the period of the directed by the period - 2.0. of the same links constrained with the rest of the same periods of the same periods and here indentify the instantial as a nonclose to be same of the symmet of the argued of the periods of the same of	at the delivery hereof they_ATE. the leveld event B of the premises above peaked, and the delivery hereof the life of this indexture, pay all taxes or assessments that may be leveld or y. Till these the buildings upon and real static insured against first and torated in such target or the delivery of the life of this indexture, pay all taxes or assessments that may be leveld or y.
