***** RELEASE FROM MORTGAGEE OF A PORTION OF REAL PROPERTY *****

Know all men by these presents, that the Douglas County Building and Loan Association, a corporation, with its principal place of business in the City of Lawrence, in the County of Douglas, State of Kansas, the mortgagor in the certain mortgage deed hereinafter described, does hereby certify that, the said mortgage deed, which is dated the 30th day of November 1928, made and executed by Josephine E. Lawrence, as party of the first part, to the Douglas County Building and Loan Association, as party of the second part, and recorded in the office of the Register of Deeds of Douglas County, Kansas, in mortgage book 71 at page 277 of the records of said office, is, as to so much of the property therein described, to wit: beginning at a point 297 feet south of the intersection of the north line of the northwest quarter (N W 1/4) of section seven (7) township (13) range twenty (20) with the west line of Vermont Street produced south from the City of Lawrence, thence south on said west line of Vermont Street produced thirty three and five-tenths (33.5) feet more or less to the north line of land deeded to Hiram W. Jones, described in deed book 18, page 501 in said Douglas County records; thence, west along the north line of said Hiram W. Jones tract 125 feet; thence north parallel with the west line of Vermont Street produced, 33.5 feet more or less; thence east 125 feet to the point of beginning, all in Douglas County, State of Kansas, fully paid, satisfied, released and discharged.

This release is made and given for the reason that the mortgagor, Josephine E. Lawrence, was not the owner of the above described tract of land at the time the mortgage was given, and to clear the title of the true owner, Buelah May Kennedy, said tract of land having been included in the mortgage by a mistake arising from the peculiar method of describing two certain tracts of land lying immediately north of the said Hiram W. Jones tract, said tracts at the present time belonging to Elizabeth Edna Birch and Buelah May Kennedy, that tract belonging to Elizabeth Edna Birch being described as follows: commencing at a point where the north line of the northwest quarter (N W 1/4) of section No. 7, township No. 13 Range No. 20, Douglas County, Kansas intersects the west line of Vermont Street produced south from the City of Lawrence, thence, south along said produced west line of Vermont Street 100 feet; thence, west parallel with said north line of said northwest quarter (N W 1/4) of section No. 7, one hundred twenty-five (125) feet to a stake; thence north parallel with said west line of Vermont Street produced south as aforesaid 100 feet to said north line of said northwest quarter (N W 1/4) of section 7; thence, east along said north line 125 feet to place of beginning, as shown by the record of the Register of Deeds of Douglas County in deed book 105 page 135; and that belonging to Buelah May Kennedy being described as follows: commencing at a point on the west line of Vermont Street produced south from the City of Lawrence 100 feet south of where the north line of the northwest quarter of section 7 township 13 range 20 intersects the said west line of Vermont Street thence south along the said west line of Vermont Street produced south as aforesaid 197 feet to a stake; thence west parallel with said north line of said northwest quarter of section 7, one hundred twenty-five (125) feet to a stake; thence north parallel with said west line of Vermont Street produced south as aforesaid 127 feet to a stake; thence east 125 feet to place of beginning as shown by the record of the Register of Deeds of Douglas County in deed book 119 page 422. The error in the description of the mortgagor's, the said Josephine E. Lawrence, property, arises from the fact that the surveyor began his measurements from the extreme north side of the northwest quarter of said section 7, which is now the middle of a public highway, U. S. 73 east, whereas the plain intention of the grantors of the various deed in the line of title down to Elizabeth Edna Birch and Buelah May Kennedy was that the point of beginning should be at the south edge of said highway or 33.5 feet more or less south of the original north line of said section 7, because the deeds specifically designated certain corners of the said tracts as being at stakes which said stakes are still in existence, the southeast stake of the description in the Kennedy tract being 330.5 feet more or less south of the north line of said section 7 before any highway was opened through it, and the southwest stake of the Kennedy tract being 330.5
