

1. That, together with, and in addition to, the monthly payments of principal and interest payable under the terms of the note secured hereby, the Mortgagor will pay to the Mortgagee until the said note is fully paid, the following sums:

(a) If this mortgage and the note secured hereby are insured under the provisions of the National Housing Act and so long as they continue to be so insured, one-twelfth (1/12) of one half of one percentum (%) of the original principal amount of said note for the purpose of putting the Mortgagee in funds with which to discharge the Mortgagee's obligation to the Federal Housing Administrator for mortgage insurance premiums pursuant to the provisions of Title II of the National Housing Act and Rules and Regulations thereunder. The Mortgagee shall, on the termination of its obligation to pay mortgage insurance premiums, credit to the account of the Mortgagor all payments made under the provisions of this subsection which the Mortgagee has not become obligated to pay to the Federal Housing Administrator.

(b) A sum equal to one-twelfth (1/12) of one-half of one per centum (1/2%) of the amount of principal then remaining unpaid under the said note as a service charge, which sum is more particularly to cover the expenses of handling the monthly payments on account of taxes, assessments, and fire and other hazard insurance hereinafter provided for, and to cover the other servicing costs in connection with this mortgage and the note secured hereby.

(c) An installment of the taxes and assessments levied or to be levied against the premises covered by this mortgage; and an installment of the premium or premiums that will become due and payable to renew the insurance on the premises covered hereby against fire, or such other hazard as may reasonably be required by the Mortgagee in amounts and in a company or companies satisfactory to the Mortgagee. Such installments shall be evidenced by receipts or other documents for fire, fire-marine, insurance, and taxes and assessments next due (as estimated by the Mortgagee), less all installments already paid therefor, divided into equal monthly payments of not less than \$10.00 each, to be paid by the Mortgagor in advance on or before the first day of each month of months that are to elapse before one month prior to the date when such premium or premiums and taxes and assessments will become due. The Mortgagee shall hold the monthly payments in trust to pay such premium or premiums and taxes and assessments when due.

(d) All payments mentioned in the three preceding subsections of this paragraph and all payments to be made under the note secured hereby shall be added together and the aggregate amount thereof shall be paid by the Mortgagor each month in a single payment to be applied by the Mortgagee to the following items in the order set forth:

- (I) premium charges under the contract of insurance with the Federal Housing Administrator;
(II) service charge as set forth in subsection (b) above;
(III) taxes, assessments, fire and other hazard insurance premiums;
(IV) interest on the note secured hereby; and
(V) amortization of the principal of said note.

Any deficiency in the amount of such aggregate monthly payment shall, unless made good by the Mortgagor prior to the due date of the next such payment, constitute an event of default under this mortgage.

2. That if the total of the payments made by the Mortgagor under (c) of paragraph 1 preceding shall exceed the amount of payments actually made by the Mortgagee for taxes and assessments or insurance premiums, as the case may be, such excess shall be credited by the Mortgagee on subsequent payments of the same nature to be made by the Mortgagee. If, however, the monthly payments made by the Mortgagor shall be insufficient to pay the taxes and assessments or insurance premiums, then the deficiency shall be paid by the Mortgagor; the same shall become due and payable then the Mortgagor shall pay to the Mortgagee any amount necessary to make up the deficiency, on or before the date when payment of such taxes, assessments, or insurance premiums shall be due. If at any time the Mortgagor shall tender to the Mortgagee the amount of such taxes, assessments, or insurance premiums, the Mortgagee shall not be required to represent thereby, the Mortgagee shall, in co-paying the amount of such indebtedness, credit to the account of the Mortgagee all payments made by the Mortgagor. (c) of paragraph 1 hereof, which the Mortgagee has not become obligated to pay to the Federal Housing Administrator, and any balance remaining in the account of the Mortgagee shall be credited to the account of the Mortgagor. If there shall be a default under any of the provisions of this mortgage resulting in a public sale of the premises covered hereby, the Mortgagee shall, prior to the sale, pay to the Mortgagor, at or before the time of the commencement of such proceedings, the balance then remaining in the funds accumulated under (c) of paragraph 1 hereof, and a credit against amount of principal then remaining unpaid under said note and shall properly adjust any payments which shall be made by the Mortgagor.

3. That he will pay all taxes, assessments, water rates, and other governmental or municipal charges, fines, or impositions, for which provision has not been made hereinbefore, and in default thereof the Mortgagee may pay the same.

4. That he will keep the premises above conveyed in as good order and condition as they are now and will not commit or permit any waste thereof, reasonable wear and tear excepted.

5. That if the premises covered hereby, or any part thereof, shall be damaged by fire or other hazard against which insurance is held as hereinbefore provided, the amounts paid by any insurance company pursuant to the contract of insurance shall, to the extent of the indebtedness then remaining unpaid, be paid to the Mortgagee, and, at its option, may be applied to the debt or released for the repairing or rebuilding of the premises.

6. That if the Mortgagor fails to make any payment provided for in this mortgage for taxes, insurance premiums, repair of the premises, or the like, then the Mortgagee may pay the same and all sums so advanced, with interest thereof at six per centum (6%) per annum from the date of such advance, shall be payable on demand and shall be secured hereby.

7. That if there shall be a default in any of the terms, conditions or covenants of this mortgage, or of the note secured hereby, then any sums owing by the Mortgagor to the Mortgagee shall, at the option of the Mortgagee, become immediately due and payable. The Mortgagee shall then have the right to enter into the possession of the mortgaged premises and collect the rents, issues and profits thereof. In the event of any default, as herein described, this mortgage may be foreclosed. Appraisement is hereby waived.

Notice of the exercise of any option granted herein to the Mortgagee is not required to be given. The covenants herein contained shall bind, and the benefits and advantages shall inure to, the respective heirs, executors, administrators, successors and assigns of the parties hereto. Whenever used, the singular number shall include the plural, the plural the singular, and the use of any gender shall be applicable to all genders.

IN WITNESS WHEREOF the Mortgagor(s) ha VE hereunto set their hand(s) and seal(s) the day and year first above written.
