

5. To insure and keep insured all buildings and other improvements now on, or which may hereafter be placed on said premises, against loss or damage by fire and/or tornado, in such manner, in such companies and for such amounts as may be satisfactory to the Mortgagee; the policy(ies) evidencing such insurance coverage to be deposited with and loss thereunder to be payable to the Mortgagee as his interest may appear. Any sum so received by Mortgagee in settlement of an insured loss may be applied at the option of Mortgagee to discharge any portion of the indebtedness secured hereby, whether or not the same be due and payable, or to the reconstruction of the buildings and improvements so destroyed or damaged.
6. To expend the whole of the loan secured hereby solely for the purposes set forth in the Mortgagee's written application for said loan.
7. Not to permit, either willfully or by neglect, any unreasonable depreciation in the value of said premises or the buildings and improvements situated thereon, but to keep the same in good repair at all times; to maintain and work the above mentioned premises in good and husbandlike manner; not to permit said buildings to become vacant or unoccupied; not to remove or demolish or permit the removal or demolition of any of said buildings or improvements situated upon said premises; not to permit or suffer any strip or waste to be committed upon said premises; not to cut or remove or permit the cutting or removal of any wood or timber therefrom, excepting such as may be necessary for ordinary domestic purposes; and not to permit said real estate to depreciate in value because of erosion, insufficient water supply, inadequate drainage, improper irrigation, or for any reason arising out of the irrigation or drainage of said lands.
8. To reimburse the Mortgagee for all costs and expenses incurred by him in any suit to foreclose this mortgage, or in any suit in which the Mortgagee may be obliged to defend or protect his rights or liens acquired hereunder, including all abstract fees, court costs, a reasonable attorney fee where allowed by law, and other expenses; and such sums shall be added to and become a part of the debt secured hereby and included in any decree of foreclosure.
9. That all checks or drafts delivered to the Mortgagee for the purpose of paying any sum or sums secured hereby will be paid upon presentment; and that all agencies used in making collections thereof, including those agencies transmitting the proceeds of such items to the Mortgagee, shall be considered agents of the Mortgagee.

This mortgage is made to the Mortgagee as the Land Bank Commissioner acting pursuant to Part 3 of the act of Congress known as the Emergency Farm Mortgage Act of 1933 (and any amendments thereto), and is hereby agreed to be in all respects subject to and governed by the terms and provisions thereof.

The Mortgagee in the written application for loan hereby secured made certain representations to the Mortgagee as to the purpose or purposes for which the proceeds of this loan are to be used. Such representations are hereby specifically referred to and made a part of this mortgage.

In the event the Mortgagee shall fail to pay when due any taxes or assessments against the security or fail to pay at all times during the existence of this mortgage, all due sums and interest on any mortgage, judgment, lien or encumbrance senior to the lien of this mortgage, or fail to pay the principal debt secured by such mortgage, judgment, lien or encumbrance when due, or fail to perform all other covenants and conditions contained in any such mortgage, judgment, lien or encumbrance senior to the lien of this mortgage, or fail to maintain insurance as herein provided for, the Mortgagee may at his option make such payments, perform such covenants and conditions, or provide such insurance, and the amount paid therefor, or incurred in connection therewith, shall become a part of the indebtedness secured by the lien of this mortgage and bear interest from the date of payment at the rate of five per centum per annum until paid.

The said Mortgagee hereby transfers, sets over and conveys to the Mortgagee all rents, royalties, bonuses and delay moneys that may from time to time become due and payable under any oil and gas or other mineral lease(s) of any kind now existing, or that may hereafter come into existence, covering the above described land, or any portion thereof, and said Mortgagee agrees to execute and deliver to the Mortgagee such deeds or other instruments as the Mortgagee may require in order to facilitate the payment to him of said rents, royalties, bonuses and delay moneys. All such sums so received by the Mortgagee shall be applied: first, to the payment of matured installments upon the note secured hereby and/or to the reimbursement of the Mortgagee for any sums advanced in payment of taxes, insurance premiums, or other assessments, or upon sums advanced in payment of prior mortgages, judgments, liens or encumbrances, as herein provided, together with interest due thereon, and second, the balance, if any, upon the principal remaining unpaid, in such a manner however as not to abate or reduce the semi-annual payments but to sooner retire and discharge the loan; or said Mortgagee may, at his option, turn over and deliver to the lien owner of said lands, either in whole or in part, any or all such sums, without prejudice to his rights to take and retain any future sum or sums, and without prejudice to any of his other rights under this mortgage. The transfer and conveyance hereunder to the Mortgagee of said rents, royalties, bonuses and delay moneys shall be construed to be a provision for the payment or reduction of the mortgage debt, subject to the Mortgagee's option as hereinbefore provided, independent of the mortgage lien on said real estate. Upon payment in full of the mortgage debt and the release of the mortgage of record, this conveyance shall become imperative and of no further force and effect.

If the lands hereby conveyed shall ever, during the life of this mortgage, become included within the boundaries of any irrigation, drainage or other special assessment district and/or become subject to and liable for special assessments of any kind, for the payment of which said lands are not liable at the date of the execution of this mortgage, then the whole of the indebtedness hereby secured shall, at the option of the Mortgagee, become due and payable forthwith.

If at any time, during the life of this mortgage, the premises conveyed hereby shall, in the opinion of the Mortgagee, become insufficient to secure the payment to the Mortgagee of the indebtedness then remaining unpaid, by reason of an insufficient water supply, inadequate drainage, improper irrigation, or erosion, then said Mortgagee shall have the right, at its option, to declare the unpaid balance of the indebtedness secured hereby due and payable and to forthwith foreclose this mortgage.

In the event of foreclosure of this mortgage, the Mortgagee shall be entitled to have a receiver appointed by the court to take possession and control of the premises described herein and collect the rents, issues and profits thereof, the amounts so collected by such receiver to be applied under the direction of the court to the payment of any judgment rendered or amount found due under this mortgage.

If any of the payments on the above described note be not paid when due, or if the Mortgagee shall permit any taxes or assessments on said lands to become delinquent, or if the Mortgagee shall fail to pay at all times during the existence of this mortgage all due sums and interest on any mortgage, judgment, lien or encumbrance senior to the lien of this mortgage, or shall fail to pay the principal debt secured by such mortgage, judgment, lien or encumbrance when due, or shall fail to perform any or all other covenants and conditions contained in any mortgage, judgment, lien or encumbrance senior to the lien of this mortgage, or shall permit any foreclosure proceedings to be instituted upon any such mortgage, judgment, lien or encumbrance, or shall fail to keep the buildings and improvements hereby conveyed to be sold under execution by virtue of any such mortgage, judgment, lien or encumbrance, or shall fail to keep the buildings and improvements insured as herein provided, or shall apply the proceeds of this loan to substantially different purposes from those for which it was obtained, or shall fail to the Mortgagee, shall become immediately due and payable and bear interest from such date at the rate of five per centum per annum, and this mortgage subject to foreclosure.

It is agreed that all of the abstracts of title to the real estate above described, which have heretofore been delivered by the Mortgagee to the Mortgagee herein, shall be retained by said Mortgagee until the indebtedness secured shall have been paid and discharged in full, and in the event the title to said real estate is conveyed by the Mortgagee to the Mortgagee in satisfaction of the indebtedness hereby secured, said abstracts shall thereupon become and be the property of the Mortgagee, or in the event of foreclosure of this mortgage, the title to said abstracts shall pass to the purchaser at the Sheriff's or Master's sale, upon expiration of the redemption period provided by law.

Now if the Mortgagee shall pay, when due, all payments provided for in said note, and reimburse said Mortgagee for all sums advanced hereunder, and shall perform all of the other covenants and conditions herein set forth, then this mortgage shall be void, otherwise to be and remain in full force and effect.

The said Mortgagee hereby waives notice of election to declare the whole debt due as herein provided, and also the benefit of all stay, valuation, homestead and appraisal laws.

The covenants and agreements herein contained shall extend to and be binding upon the heirs, executors, administrators, successors and assigns of the respective parties hereto.

IN WITNESS WHEREOF, the Mortgagee has hereunto set his hand and seal the day and year first above written.
