or assigns, to exercise this option at any time or times shall not preclude said party of the second part from the exercise thereof at any subsequent default or defaults of said first party in payments as aforesaid; and it shall not be necessary for said party of the second part, or assigns, to give written notice of its or their intention to exercise said option at any time or times, such notice being hereby expressly waived by said party of the first part.

It is further provided that said party of the second part, or assigns, may at its or their option pay said taxes, assessments and insurance premiums on the failure of the party of the first part to pay the same as above mentioned, and the money so paid, with interest thereon at the rate of ten (10) per cent per annum from date of payment shall be a part of the debt secured and collectible under this mortgage; and the said party of the second part, or assigns, shall, at its or their option, be entitled to be subrogated to any lien, claim or demand paid or discharged with the money loaned and advanced by the party of the second part and secured by this mortgage. And the party of the second part, or assigns, may pay and discharge any liens that may exist against above described real estate that may be prior and senior to the lien of this mortgage; and the money so paid shall become a part of the lien of this mortgage and bear interest at the rate of ten (10) per cent per annum.

As additional and collateral security for the payment of said note the party of the first part hereby assign to said party of the second part, or assigns, all the rights and benefits accruing to the party of the first part under all oil, gas or mineral leases on said premises, this assignment to terminate and become void upon release of this mortgage. Provided, however, that the said party of the second part, or assigns, shall be chargeable with no responsibility with reference to such rights and benefits nor be accountable therefor except as to sums actually collected by it or them, and that the lessees in any such leases shall account for such rights or benefits to the party of the first part, or assigns, until notified by legal holder hereof to account for and to pay over the same to such legal holder.

In case of foreclosure, said party of the second part, or assigns, shall be entitled to have a receiver appointed by the court, who shall enter and take possession of the premises, collect the rents and profits thereon and apply the same as the court may direct, and any judgment for the foreclosure of this mortgage shall provide that all of the land herein described shall be sold together and not in separate parcels.

The foregoing conditions, covenants and agreements being performed, this mortgage shall be void and shall be released by the party of the second part at the costs and expense of the party of the first part; otherwise to remain in full force and virtue.

IN WITNESS WHEREOF, the said party of the first part has hereunto set his hand and seal on the day and year first above written.
