

DOUGLAS COUNTY

under the provisions of the National Housing Act, he will pay to the Grantee an adjusted premium charge of one per centum (1%) of the original principal amount thereof, except that in no event shall the adjusted premium exceed the aggregate amount of premium charges which would have been payable if the mortgage had continued to be insured until maturity; such payment to be applied by the Grantee upon its obligation to the Federal Housing Administrator on account of mortgage insurance.

2. That, together with, and in addition to, the monthly payments of principal and interest payable under the terms of the note secured hereby, the Mortgagor will pay to the Mortgagee until the said note is fully paid, the following sums:

- (a) If this mortgage and the note secured hereby are insured under the provisions of the National Housing Act and so long as they continue to be so insured, one-twelfth (1/12) of the annual mortgage insurance premium for the purpose of putting the Mortgagee in funds with which to discharge the said Mortgagee's obligation to the Federal Housing Administrator for mortgage insurance premiums pursuant to the provisions of Title II of the National Housing Act, as amended, and Regulations thereunder. The Mortgagee shall, on the termination of its obligation to pay mortgage insurance premiums, credit to the account of the Mortgagor all payments made under the provisions of this subsection which the Mortgagee has not become obligated to pay to the Federal Housing Administrator.
- (b) An installment of the ground rents, if any, and of the taxes and assessments levied or to be levied against the premises covered by this mortgage; and an installment of the premium or premiums that will become due and payable to renew the insurance on the premises covered hereby against loss by fire or such other hazard as may reasonably be required by the Mortgagee in amounts and in a company or companies satisfactory to the Mortgagee. Such installments shall be equal respectively to one-twelfth (1/12) of the annual ground rent, if any, plus the estimated premium or premiums for such insurance, and taxes and assessments next due (as estimated by the Mortgagee), less all installments already paid therefor, divided by the number of months that are to elapse before one month prior to the date when such premium or premiums and taxes and assessments will become delinquent. The Mortgagee shall hold the monthly payments in trust to pay such ground rents, if any, premium or premiums and taxes and assessments before the same become delinquent.

All payments mentioned in the two preceding subsections of this paragraph and all payments to be made under the note secured hereby shall be added together and the aggregate amount thereof shall be paid by the Mortgagor each month in a single payment to be applied by the Mortgagee to the following items in the order set forth:

- (I) premium charges under the contract of insurance with the Federal Housing Administrator;
- (II) ground rents, if any, taxes, assessments, fire and other hazard insurance premiums;
- (III) interest on the note secured hereby; and
- (IV) amortization of the principal of said note.

Any deficiency in the amount of such aggregate monthly payment shall, unless made good by the Mortgagor prior to the due date of the next such payment, constitute an event of default under this mortgage. The Mortgagee may collect a "late charge" not to exceed two cents (2¢) for each dollar (\$1) of each payment more than fifteen (15) days in arrears to cover the extra expense involved in handling delinquent payments.

3. That if the total of the payments made by the Mortgagor under (b) of paragraph 1 preceding shall exceed the amount of payments actually made by the Mortgagee for ground rents, taxes and assessments or insurance premiums, as the case may be, such excess shall be credited by the Mortgagee on subsequent payments of the same nature to be made by the Mortgagor. If, however, the monthly payments made by the Mortgagor under (b) of paragraph 2 preceding shall not be sufficient to pay ground rents, taxes and assessments or insurance premiums, as the case may be, when the same shall become due and payable, then the Mortgagor shall pay to the Mortgagee any amount necessary to make up the deficiency, on or before the date when payment of such ground rents, taxes, assessments, or insurance premiums shall be due. If at any time the Mortgagor shall tender to the Mortgagee, in accordance with the provisions of the note secured hereby, full payment of the entire indebtedness represented thereby, the Mortgagee shall, in computing the amount of such indebtedness, credit to the account of the Mortgagor all payments made under the provisions of (a) of paragraph 2 hereof, which the Mortgagee has not become obligated to pay to the Federal Housing Administrator, and any balance remaining in the funds accumulated under the provisions of (b) of paragraph 2 hereof. If there shall be a default under any of the provisions of this mortgage resulting in a public sale of the premises covered hereby or if the Mortgagee acquires the property otherwise after default, the Mortgagee shall apply, at the time of the commencement of such proceedings, or at the time the property is otherwise acquired, the balance then remaining in the funds accumulated under (b) of paragraph 2 preceding, as a credit against the amount of principal then remaining unpaid under said note and shall properly adjust any payments which shall have been made under (a) of paragraph 2.

4. That he will pay all taxes, assessments, water rates, and other governmental or municipal charges, fines, or impositions, for which provision has not been made hereinbefore, and in default thereof the Mortgagee may pay the same.

5. That he will keep the premises above conveyed in as good order and condition as they are now and will not commit or permit any waste thereof, reasonable wear and tear excepted.

6. That if the premises covered hereby, or any part thereof, shall be damaged by fire or other hazard against which insurance is held as hereinbefore provided, the amounts paid by any insurance company pursuant to the contract of insurance, shall to the extent of the indebtedness then remaining unpaid, be paid to the Mortgagee, and, at its option, may be applied to the debt or released for the repairing or rebuilding of the premises.

7. That if the Mortgagor fails to make any payment provided for in this mortgage for taxes, insurance premiums, repair of the premises, or the like, then the Mortgagee may pay the same and all sums so advanced, with interest thereof at five per centum (5%) per annum from the date of such advance, shall be payable on demand and shall be secured hereby.

8. That if there shall be a default in any of the terms, conditions or covenants of this mortgage, or of the note secured hereby, then any sums owing by the Mortgagor to the Mortgagee shall, at the option of the Mortgagee, become immediately due and payable. The Mortgagee shall then have the right to enter into the possession of the mortgaged premises and collect the rents, issues and profits thereof. In the event of any default, as herein described, this mortgage may be foreclosed. Appraisement is hereby waived.

Notice of the exercise of any option granted herein to the Mortgagee is not required to be given. The covenants herein contained shall bind, and the benefits and advantages shall inure to, the respective heirs, executors, administrators, successors and assigns of the parties hereto. Whenever used, the singular number shall include the plural, the plural the singular, and the use of any gender shall be applicable to all genders.

IN WITNESS WHEREOF the Mortgagor(s) have hereunto set their hand(s) and seal(s) the day and year first above written.
