	STATE OF KANSAS, DOUGLAS COUNTY, 85.	
E. A. Ransted and Bethel I. Ransted	This instrument was filed for record on the day of	
TO	A D. 19 43, at 4130 o'clock P. M.	
	Harde a Beck Register of Deeds.	
The Lawrence Building and Loan Association	By Deputy.	
THIS INDENTURE, Made this	, in the year of our Lord, one thousand nine	
dred and Forty Three between R. A. Ransted and Bethel I. Ransted, husband an	id_wife	
Lawrence in the County of Douglas		
103 of the first part, and		
The Lawrence Building and Lean Association WITNESSETH, That the said part 105 of the first part, in considerati		
Thirtson Fundr 3d, Fifty and no/100	- DOLLARS, to them duly paid, the receipt of	
"Beginning at the North West corner of the South M	West quarter of the Northwest Suarter	
of Section 24, Township 12, Fange 19, thence East		
West 25 rods, thence North 16 rods to the place of	of beginning, containing 2 ¹ / ₂ Acres. Douglas	
County, Kansas."		
the annurtenances and all the estate title and interest of the said and		
the appurtenances and all the estate, title and interest of the said part1 And the said part 105 of the first part do hereby covenant and agree that at the d	us_cf the first part therein.	지지않았음!!!
	delivery hereof they are the lawful owner S of the premises above granted.	
and and inderenance estate of inactitance therein, free and clear of all incumi	brance	
account of the same state of interfance therein, free and clear of all incum hat they will warrant and defend the same against all parties making lawful claim there It is agreed between the barries herein that the next [30] of the der mer shall as it	ibrance	
and any momentum state of labertance therein, free and clear of all incrum labertance and defend the same scalant all parties making lawer claim there it is agreed between the parties hereto that the parties. The first part shall sai reserved against said real states when the same becomes due and epable, and that <u>they</u> must alw you houseness compares shall be exceeded and directly be hower. Y of the hower Y of the	denne	
The second main matrices we state of informations therein, free and clear of all incum- hat they will warrant and defend the same scalant all parties making ineffed chain there is a surred between the parties herein that is static. Both of the first part hall at all cosed against asid real estate when the same becomes doe and psyable, and that $\frac{1100}{1100}$ and any such insurance company as shall be predicted and directed by the part. Not it of 111. Interest. And in the event that and part (1267) the first part and it for its of 112. Interest. And in the event that and part (1267) the first part and it for its of 112.	dennee	
The same and maintaining which of laberlinks therein, free and clear of all incrude the they will warrant and defend the same against all parties making laseful claim there it is agreed between the parties hereto that the particle field. of the first part is hall at all created against and real estate when the same becomes due and payable, and that $LEDQ$ must all you the incrusses compary as while the periede and directed by the part. Not it of 115 interest. And in the event that same become size and direct by the part LEC it is provided, then the partY of the second part may prove all targe and language obstructions and shall be artificities to secure the pay paid targe and language.	identities during the life of this indenture, pay all taxos or assessments that may be levied 	
but they will serve and molecular which the same scalars all parties making larged claim there is a same and molecular state of the same scalars all parties making larged claim there is a same determine the parties here to that the particle 10.0 of the fits part is hall at all considered a scalars and frequents when the same becomes due and payable, and that $LEDQ$ must all particle functions compared as while the periodic and directly by the part. Not it of 11.5. Interest. And in the event that sall part 1267 the first part shall fail to pay of the particle of the event part and the evend part may predict that are all incurses, obstruct and shall be a reliable to reliable part 1267 the first part shall fail to pay obstruct and shall be a reliable to reliable pay paid that are and incurses. This first of 11.5. The same is a state of the same is a state of the same in the same of 0.00 control of 124 and 100 (100	the difference of this indenture, pay all taxes or assessments that may be level
