And the Mortgagor covenants with the Mortgagee that he is lawfully seized in fee of the premises hereby conveyed, that he has good right to sell and convey the same, as aforesaid, and that he will warrant and defend the title thereto forever against the claims and demands of all persons whomsoever.

This mortgage is given to secure the payment of the principal sum of Thirty-four Hundred and no/100 Dollars (\$3400.00) as evidenced by a certain promissory note of even date herewith, the terms of which are incorporated herein by reference, payable with interest at the rate of four & one-half per centum (4 1/2%) per annum on the unpaid balance until paid, principal and interest to be paid at the office of The Lawrence National Bank in Lawrence, Kansas, or at such other place as the holder of the note may designate in writing, in monthly installments of Twenty-one and 62/100 Dollars (\$21.62), commencing on the first day of September, 1920, and continuing on the first day of each month thereafter, until the principal and interest are fully paid, except that the final payment of principal and interest, if not sooner paid, shall be due and payable on the first day of September, 1929.

The Mortgagor covenants and agrees as follows:

1. That he will promptly pay the principal of and interest on the indebtedness evidenced by the said note, at the times and in the manner therein provided. Privilege is reserved to pay the debt in whole, or in an amount equal to one or more monthly payments on the principal that are next due on the note, on the first day of any month prior to maturity; provided, however, that written notice of an intention to exercise such privilege is given at least thirty (30) days prior to prepayment; and provided further that in the event the debt is paid in full prior to maturity and at that time it is insured under the provisions of the National Housing Act, he will pay to the Grantee an adjusted premium charge of one per centum (1%) of the original principal amount thereof, except that in no event shall the adjusted premium exceed the aggregate amount of premium charges which would have been payable if the mortgage had continued to be insured until maturity; such payment to be applied by the Grantee upon its obligation to the Federal Housing Administrator on account of mortgage insurance.

2. That, together with, and in addition to, the monthly payments of principal and interest payable under the terms of the note secured hereby, the Mortgagor will pay to the Mortgagee until the said note is fully paid, the following sums:

(a) If this mortgage and the note secured hereby are insured under the provisions of the National Housing Act and so long as they continue to be so insured, one-twelfth (1/12) of the annual mortgage insurance premium for the purpose of putting the Mortgagee in funds with which to discharge the said Mortgagee's obligation to the Federal Housing Administrator for mortgage insurance premiums pursuant to the provisions of Title II of the National Housing Act, as amended, and Regulations thereunder. The Mortgagee shall, on the termination of its obligation to pay mortgage insurance, remit to the benefit of the Mortgagor all payments made under the provisions of this subsection which the Mortgagee has not become obligated to pay to the Federal Housing Administrator.

(b) An installment of the ground rents, if any, and of the taxes and assessments levied or to be levied against the premises covered by this mortgage; and an installment of the premium or premiums that will become due and payable to enable the insurance on the premises covered hereby to remain in force, if any, shall be paid by the Mortgagor or by the Mortgagee, or by the Mortgagee's assigns, in and a company or companies satisfactory to the Mortgagee. Such installment shall be equal respectively to one-twelfth (1/12) of the annual ground rent, if any, plus the estimated premium or premiums for such insurance, and taxes and assessments next due (as estimated by the Mortgagee), less all installments already paid therefor, divided by the number of months that are to elapse before one month prior to the date when such premium or premiums and taxes and assessments will become delinquent. The Mortgagee shall hold the monthly payments in trust to pay such ground rents, if any, premium or premiums and taxes and assessments before the same become delinquent.

(c) All payments mentioned in the two preceding subsections of this paragraph and all payments to be made under the note secured hereby shall be added together and the aggregate amount thereof shall be paid by the Mortgagor each month in a single payment to be applied by the Mortgagee to the following items in the order set forth:

- (I) premium charges under the contract of insurance with the Federal Housing Administrator;

Any deficiency in the amount of such aggregate monthly payment shall, unless made good by the Mortgagor prior to the due date of the next such payment, constitute an event of default under this mortgage. The Mortgagee may collect a "late charge" not to exceed two cents (2¢) for each dollar (\$1) of each payment more than fifteen (15) days in arrears to cover the extra expense involved in handling delinquent payments.

3. That if the total of the payments made by the Mortgagor under (b) of paragraph 1 preceding shall exceed the amount of payments actually made by the Mortgagee for ground rents, taxes and assessments or insurance premiums, as the case may be, such excess shall be credited by the Mortgagee on subsequent payments of the same nature to be made by the Mortgagor. If, however, the monthly payments made by the Mortgagor under (b) of paragraph 2 preceding shall not be sufficient to pay ground rents, taxes and assessments or insurance premiums, as the case may be, when the same shall become due and payable, then the Mortgagor shall pay to the Mortgagee any amount necessary to make up the deficiency, on or before the date when payment of such ground rents, taxes, assessments, or insurance premiums shall be due. If at any time the Mortgagor shall tender to the Mortgagee, in accordance with the provisions of the note secured hereby, full payment of the entire indebtedness represented thereby, the Mortgagee shall, in computing the amount of such indebtedness, credit to the account of the Mortgagor all payments made under the provisions of (a) of paragraph 2 hereof, which the Mortgagee has not become obligated to pay to the Federal Housing Administrator, and any balance remaining in the funds accumulated under the provisions of (b) of paragraph 2 hereof. If there shall be a default under any of the provisions of this mortgage resulting in a public sale of the premises covered hereby or if the Mortgagee acquires the property otherwise after default, the Mortgagee shall apply, at the time of the commencement of such proceedings, or at the time the property is otherwise acquired, the balance then remaining in the funds accumulated under (b) of paragraph 2 preceding, as a credit against the amount of principal then remaining unpaid under said note and shall properly adjust any payments which shall have been made under (a) of paragraph 2.

4. That he will pay all taxes, assessments, water rates, and other governmental or municipal charges, fines, or impositions, for which provisions has not been made hereinbefore, and in default thereof the Mortuaries pay the same.

5. That he will keep the premises above conveyed in as good order and condition as they are now and will not commit or permit any waste thereof, reasonable wear and tear excepted.

6. That if the premises covered hereby, or any part thereof, shall be damaged by fire or other hazard against which insurance is held as hereinbefore provided, the amounts paid by any insurance company pursuant to the contract of insurance shall, to the extent of the indebtedness then remaining unpaid, be paid to the Mortgagee, and, at its option, may be applied to the debt or released for the repairing or rebuilding of the premises.

When the proceeds of the mortgage, so to speak, are deposited for the full payment of the debt secured thereby, and another mortgage is made, as entered in the third page of the mortgage of second. Dated this 23rd day of May, 1900.
