

PIPELINES.

All pipelines, together with the easements and permits over and across lands, highways and rivers for constructing, maintaining, replacing, and operating the same, including all pipes, pumps, boilers, engines, building, structures, gathering lines, tanks, conduits, meters, regulators, gauges, tools, compressor stations, appliances and other personal property used in connection therewith, including those located in the States of KANSAS, MISSOURI, NEBRASKA, OKLAHOMA, AND TEXAS, and generally described as follows:

FITTS FIELD TO SEMINOLE JUNCTION.

A 12" pipeline extending from the Carter Oil Company Compressor Station in the Fitts field in Pontotoc County, Oklahoma, to the Seminole Junction in Seminole County, Oklahoma, and being more specifically described as follows:

Beginning at the Carter Compressor Station in Section 30, T. 2 N., R. 7 E., Pontotoc County, Oklahoma, a single 12" line extends north to the Seminole County line, said line totaling 20.1 miles of 12" pipe, and a multiple river crossing of 0.7 miles of 10" pipe in Pontotoc County;

Thence continuing north into Seminole County with the 12" line to the Seminole Junction in Sec. 33, T. 10 N., R. 7 E., Seminole County, Oklahoma, said line totaling 26.8 miles of 12" pipe in Seminole County.

From the Seminole Junction described above, a field gathering system extends west and south through the Seminole field and thence east into Hughes County, Oklahoma, said system totaling approximately 5.2 miles of 8" pipe, 44.4 miles of 6" pipe, 10.7 miles of 4" pipe, 0.4 miles of 3" pipe, 1.8 miles of 2" pipe, all in Seminole County, and in Hughes County, Oklahoma 1.3 miles of 6" pipe.

From the Seminole Junction described above a field gathering system extends east into Okfuskee County with lateral gathering lines extending into Hughes County, said system totaling approximately 8.0 miles of 12" pipe, 1.0 miles of 8" pipe, 1.0 miles of 3" pipe, and 0.2 miles of 2" pipe in Seminole County; 1.0 miles of 12" pipe, 9.3 miles of 8" pipe, 8.8 miles of 6" pipe, 2.4 miles of 4" pipe, and 0.1 miles of 3" pipe in Hughes
