

a reference to the previous certificate and/or application hereunder which originally created such Special Additions Credit and a reference to the instances, if any, in which any part of such Credit has been previously used.

(14) Whether there is an unused Ordinary Additions Credit, and, if so, a statement of the amount thereof and a reference to the previous certificate and/or application hereunder which originally created such Ordinary Additions Credit and a reference to the instances, if any, in which any part of such Credit has been previously used.

*(If pursuant to the foregoing Clauses (13) and/or (14) it is stated that the Company has an unused Special Additions Credit and/or Ordinary Additions Credit, and the amount thereof is sufficient, after making the computations provided for in Paragraph G of this Section, to entitle the Company to the authentication and delivery of the Bonds applied for, the Property Additions Certificate need state only the matters required by Clauses (13), (14) and (15) of this Paragraph, and the Opinion of Counsel required by Paragraph I of this Section need not include the matters referred to in Clauses (2), (3) and (4) of said Paragraph I.)*

(15) That the Company is not in default in the performance of any of the covenants on its part to be performed under this Indenture.

C. In case said Property Additions Certificate shall show any part of such Property Additions to have been acquired from an Affiliate at a Cost to the Company in excess of \$100,000 or to consist of an acquired plant or pipeline system having a Cost to the Company in excess of \$250,000, either

(1) a Certificate dated not more than 30 days prior to the application for the authentication and delivery of such Bonds, signed by an Independent Engineer selected by the New York Trustee and approved by a Resolution of the Board, stating the Fair Value, in the opinion of the signer, at the date of said Certificate, of such part of such Property Additions; or
