

praisers, accountants, surveyors, engineers and other experts, agents and attorneys in fact, either corporate or individual, not regularly in the employ of the Trustees or either of them, and neither of the Trustees shall be answerable for any act, default or misconduct of any such appraiser, accountant, surveyor, engineer or other expert, agent or attorney in fact, if selected with reasonable care, nor shall either Trustee be liable for any error of judgment or for any act done or for any steps taken by it or him in good faith or for any mistake of fact or law, or be otherwise responsible or accountable under any circumstances whatsoever, except for its or his negligence or bad faith.

(h) The Trustees or either of them may, at the expense of the Company, advise with legal counsel to be selected and employed by them or either of them, and the Trustees shall not be liable for any action taken or suffered by them or either of them in good faith in accordance with the advice of such counsel.

(i) The Company shall pay to each Trustee, from time to time on demand, a reasonable compensation for all services rendered by such Trustee hereunder (which shall not be limited to the compensation of trustees of any express trust as provided by law) and also all reasonable expenses, charges, counsel fees and other disbursements and those of their, its or his agents, attorneys and employees, incurred in the administration and execution of the trusts hereby created, and the Company agrees to indemnify and save the Trustees and each of them harmless against and from any liability or damages which they or either of them may incur or sustain in the exercise and performance of any of their powers and duties hereunder. The Trustees shall have a lien for such compensation, expenses and indemnity on the Trust Estate and the proceeds thereof prior to the lien of the Bonds and coupons.

(j) The Trustees shall not be personally liable for any debt contracted or for any expenditure made by them, or either of them, in operating the business of the
