

in or relating to real estate acquired by the Company for booster station, measuring station, regulating station, gathering line, gas transportation line, telephone or telegraph line, or right-of-way purposes;

(5) Easements or reservations in any property of the Company created for the purpose of roads, railroads, sidetracks, pipelines, gas transportation lines, transmission lines, and other like business, water power rights of the State or others, building and use restrictions, and defects of title to, or leases of, minor parts of the property of the Company, none of which, in the opinion of counsel for the Company, materially impairs the use of the property affected thereby in the operation of the business of the Company;

(6) Defects in title to rights-of-way for gathering lines, transportation lines, telephone or telegraph lines, or for other purposes of the Company over public or private property, none of which, in the opinion of counsel for the Company, materially impairs the use of the property affected thereby in the operation of the business of the Company; *provided*, the aggregate length of such rights-of-way over private property as to which defects exist shall not exceed 100 miles or, in the opinion of such counsel, may be remedied without undue burden or expense;

(7) Rights granted or created or burdens assumed by the Company under the provisions of *Paragraph E of Section 40.*"

(e) *Paragraph II* of said *Section 24* of the Original Indenture is hereby amended so that hereafter it shall read as follows:

"H. 'Retirements' shall mean (a) all Bonded Property which, since December 31, 1944 (or prior thereto, as regards any of the Trust Estate owned by the Com-
