

DOUGLAS COUNTY

The First National Bank of Lawrence in Lawrence, Kansas, or at such place as the holder of the note may designate in writing, in (semi-annual) installments of Two hundred forty-eight and 17/100 Dollars (\$248.17), commencing on the first day of February, 1942, and a like amount on the first day of August and February, in each year, thereafter, until the principal and interest are fully paid, except that the final payment of principal and interest, if not sooner paid, shall be due and payable on the first day of August, 1961.

The Mortgagor covenants and agrees as follows:

1. That he will promptly pay the principal of and interest on the indebtedness evidenced by the said note, at the times and in the manner therein provided. Privilege is reserved to pay the debt in whole or in an amount equal to one or more (semi-annual) payments on principal that are next due, on any periodic payment date; provided, however, that written notice of intention to exercise such privilege is given at least thirty (30) days prior to prepayment. In the event this debt is paid in full prior to maturity and while it is insured under the provisions of the National Housing Act, all parties liable for the payment of same, whether principal, surety, guarantor, or endorser, agree to be jointly and severally bound to pay to the holder hereof an adjusted premium charge of one per centum (1%) of the original principal amount of the debt evidenced thereby, provided that in no event shall the adjusted premium charge exceed the aggregate amount of premium charges which would have been payable if the mortgage had continued to be insured until maturity; such payment to be applied by the holder hereof upon its obligation to the Federal Housing Administrator on account of mortgage insurance; provided, however, that the liability of any party herein to pay the above-mentioned adjusted premium charge shall be, in any event, subject to the exceptions contained in the Regulations of the Federal Housing Administrator in force on the date this instrument is executed.

2. That, together with, and in addition to, the (semi-annual) payments of principal and interest payable under the terms of the note secured hereby, the Mortgagor will pay to the Mortgagee until the said note is fully paid, the following sums:

(a) If this Mortgage and the said note secured hereby are insured under the provisions of the National Housing Act and so long as they continue to be so insured, (one-half ($\frac{1}{2}$)) of the annual mortgage insurance premium for the purpose of putting the Mortgage in funds with which to discharge the said Mortgagee's obligation to the Federal Housing Administrator for mortgage insurance premiums, at or before the date same become due, pursuant to the provisions of Title II of the National Housing Act, as amended, and regulations thereunder; the Mortgagee shall, on the termination of its obligation to pay mortgage insurance premiums, credit to the account of the Mortgagor all payments made under the provisions of this subsection which the Mortgagee has not become obligated to pay to the Federal Housing Administrator.

(b) An installment of the ground rents, if any, and of the taxes and assessments levied or to be levied against the premises covered by this mortgage; irrigation and drainage charges, if any, and an installment of the premium or premiums that will become due and payable to renew the insurance on the premises covered hereby against loss by fire or such other hazard as may reasonably be required by the Mortgagee in amounts and in a company or companies satisfactory to the Mortgagee. Such installments shall be equal respectively to (one-half ($\frac{1}{2}$)) of the annual ground rent, if any, plus the estimated premium or premiums for such insurance, irrigation and drainage charges, if any, taxes and assessments next due (as estimated by the Mortgagee), at or prior to the date on which the same become due or delinquent, less all installments already paid therefor. The Mortgagee shall hold said payments in trust to pay such ground rents, if any, premium or premiums, taxes and assessments, and irrigation and drainage charges, if any, before the same become delinquent.

(c) All payments mentioned in the two preceding subsections of this paragraph and all payments to be made under the note secured hereby shall be added together and the aggregate amount thereof shall be paid by the Mortgagor (semi-annually) in a single payment to be applied by the Mortgagee to the following items in the order set forth:

- (I) premium charges under the contract of insurance with the Federal Housing Administrator;
- (II) ground rents, if any, taxes, assessments, irrigation and drainage charges, if any, fire and other hazard insurance premiums;
- (III) interest on the note secured hereby; and
- (IV) amortization of the principal of said note.

Any deficiency in the amount of such aggregate periodic payment shall, unless made good by the Mortgagor within thirty (30) days thereafter, constitute an event of default under this mortgage. The Mortgagee may collect a "late charge" not to exceed two cents (2¢) for each dollar (\$1) of each payment more than fifteen (15) days in arrears to cover the extra expense involved in handling delinquent payments.

3. That if the total of the periodic payments made by the Mortgagor under (b) of paragraph 2 preceding shall exceed the amount of payments actually made by the Mortgagee for ground rents, taxes and assessments, irrigation and drainage charges or insurance premiums, as the case may be, such excess shall be credited by the Mortgagee on subsequent payments to be made by the Mortgagor. If, however, the periodic payments made by the Mortgagor under (b) of paragraph 2 preceding shall not be sufficient to pay ground rents, taxes and assessments, irrigation and drainage charges, or insurance premiums, as the case may be, when the same shall become due and payable, then the Mortgagor shall pay to the Mortgagee any amount necessary to make up the deficiency, on or before the date when payment of such ground rents, taxes, assessments, irrigation and drainage charges, or insurance premiums shall be due. If at any time the Mortgagor shall tender to the Mortgagee, in accordance with the provisions of the note secured hereby, full payment of the entire indebtedness represented thereby, the Mortgagee shall, in computing the amount of such indebtedness, credit to the account of the Mortgagor all payments made under the provisions of (a) of paragraph 2 hereof, which the Mortgagee has not become obligated to pay to the Federal Housing Administrator, and any balance remaining in the funds accumulated under the provisions of (b) of paragraph 2 hereof. If there shall be a default under any of the provisions of this mortgage resulting in a public sale of the premises covered hereby or if the Mortgagee acquires the property otherwise after default, the Mortgagee shall apply, at the time of the commencement of such proceedings, or at the time the property is otherwise acquired, the balance then remaining in the funds accumulated under (b) of paragraph 2 preceding, as a credit against the amount of principal then remaining unpaid under said note and shall properly adjust any payments which shall have been made under (a) of paragraph 2.

4. That he will pay all taxes, assessments, water rates, and other governmental or municipal charges, fines, or impositions, for which provision has not been made hereinbefore, and in default thereof the Mortgagee may pay the same.

5. That he will not permit, either wilfully or by neglect, any unreasonable depreciation in the value of said premises or the buildings and improvements situate thereon, but to keep the same in good repair at all times; he will not remove or permit to be removed from said premises any buildings or improvements situate thereon; he will not commit or suffer waste to be committed upon the premises; he will not cut or remove any timber therefrom, or permit same, excepting such as may be necessary for ordinary domestic purposes; and that he will not permit said real estate to depreciate in value because of erosion, insufficient water supply, inadequate drainage, improper irrigation, or for any reason arising out of the irrigation and/or drainage of said lands.

6. The said Mortgagor hereby transfers, sets over and conveys to the Mortgagee all rents, royalties, bonuses and delay moneys that may from time to time become due and payable under any oil and gas or other mineral lease(s) of any kind now existing, or that may hereafter come into existence, covering the above-described land, or any portion thereof, and said Mortgagor agrees to execute, acknowledge and deliver to the Mortgagee such deeds or other instruments as the Mortgagee may now or hereafter require in order to facilitate the payment to it of said rents, royalties, bonuses and delay moneys. All such sums so received by the Mortgagee shall be applied; first, to the payment of matured installments upon the note(s) secured hereby and/or to the reimbursement of the Mortgagee for any sums advanced in payment of taxes, insurance premiums, or other assessments, as herein provided, together with the interest due thereon; and second, the balance, if any, upon the principal remaining unpaid, in such a manner, however, as not to abate or reduce the payments but to sooner retire and discharge the loan; or said Mortgagee may, at its option, turn over and deliver to the then owner
