Should operation under any oil, gas or mineral lease seriously depreciate the value of said land for general farming purposes, the note secured by this mortgage shall immediately become due and collectible, at the option of the holder of this mortgage.

In case of the renewal or extension of the indebtedness hereby secured, or any part thereof, all the provisions of this mortgage and the lien thereof, from its date, shall remain in force as fully and with the same effect as if it were made originally to mature at such extended time.
