If at any time the Mortgagor shall tender to the Mortgagee, in accordance with the provisions of the note secured hereby, full payment of the entire indebtedness represented thereby, the Mortgagee shall, in computing the amount of such indebtedness, credit to the account of the Mortgagor all payments made under the provisions of (a) of paragraph 2 hereof, which the Mortgagee has not become obligated to pay to the Federal Housing Administrator and any balance remaining in the funds accumulated under the provisions of (b) of paragraph 2 hereof. If there shall be a default under any of the provisions of this mortgage resulting in a public sale of the premises covered hereby or if the Mortgagee acquires the property otherwise after default, the Mortgagee shall apply at the time of the commencement of such proceedings or at the time the property is otherwise acquired, the balance then remaining in the funds accumulated under (b) of paragraph 2 preceding, as a credit against the amount of principal then remaining unpaid under said note and shall properly adjust any payments which shall have been made under (a) of paragraph 2.

In event of loss he will give immediate notice by mail to the Mortgagee who may make proof of loss if not made promptly by the Mortgagor, and each insurance company concerned is hereby authorized and directed to make payment for such loss directly to the Mortgagee instead of to the Mortgagor and the Mortgagee jointly, and the insurance proceeds, or any part thereof, may be applied by the Mortgagee at its option, either to the reduction of the indebtedness hereby secured or to the restoration or repair of the property damaged. In event of foreclosure of this mortgage or other transfer of title to the mortgaged property in extinguishment of the debt secured hereby, all right, title and interest of the Mortgagor in and to any insurance policies then in force shall pass to the purchaser or grantee.

7. That if the Mortgagor fails to make any payment provided for in this mortgage for taxes, insurance premiums, repair of the premises or the like then the Mortgagee may pay the same and all sums so advanced with interest thereof at four and one-half per centum (4½) per annum from the date of such advance, shall be payable on demand and shall be secured hereby.

The Mortgagee shall then have the right to enter into the possession of the mortgaged premises and collect the rents, issues and profits thereof, in the event of any default, as herein described, this mortgage may be foreclosed.
