If the principal amount of the Bonds to be redeemed, either by the Corporations or by the Trustee, shall be less than the total outstanding Bonds, the Trustee shall choose Bonds by lot, all in such manner as the Trustee may determine to be fair, the serial numbers of the Bonds to be redeemed and shall, within twenty (20) days after the selection of the Bonds to be redeemed, advise the Corporations of such serial numbers and the registered holders thereof, as shown by the books of the Corporations for the registration of Bonds at the office of the Trustee. No defect, however, in the execution and filing of any such notice of the Corporations shall affect the validity of the redemption of any Bond.

The Trustee or the Corporations, at the option of the Trustee, shall mail notice of each call for redemption at least twenty (20) days prior to the date fixed for the redemption of such Bonds to the holders of all Bonds registered as to principal, which are to be so redeemed, by prepaid United States mail, first class postage, at the addresses so shown on the bond registry books and also cause notice of redemption to be given by publication at least once a week for three (3) successive calendar weeks in at least one (1) newspaper published in the City of Chicago, Illinois, in one (1) newspaper published in the City of Milwaukee, Wisconsin, and in

one (1) newspaper published in the City of West Bend, Wisconsin, the first publications to be not less than twenty-one (21) days prior to the date fixed for such redemption. Failure to give notice by mail to registered holders shall not affect the validity of the call for redemption.

Section 5.04. Upon the publishing of notice of redemption as aforesaid and upon the deposit with the Trustee of moneys sufficient to redeem the Bonds called for redemption if such moneys shall not have been otherwise made available to the Trustee and from and after the date set for redemption, the Bonds so called for redemption shall cease to draw interest, shall be excluded from participation in the lien of the security afforded by this Indenture, and the holders thereof shall look for payment of such Bonds and any interest thereon only to the amounts so deposited with the Trustee and in no event to the Corporations, all unless payment thereof shall be refused upon presentation pursuant to such notice. The moneys so deposited with the Trustee for redemption of Bonds or otherwise made available for that purpose shall be held by the Trustee without any obligation or liability to pay interest thereon to the credit of and for the payment of said Bonds so called for redemption, and shall be paid by the Trustee to the holders thereof upon presentation and surrender of said Bonds.

In case any question shall arise as to whether any notice of redemption of any Bonds outstanding hereunder shall have been in proper form or substance, or shall have been sufficiently given, such question shall be decided by the Trustee, and the decision of the Trustee shall be final and binding upon all parties in interest.
