

This mortgage is subject and second to a mortgage to THE PRUDENTIAL INSURANCE COMPANY OF AMERICA, dated March 22, 1949, to secure \$5,500.00, insured by the Federal Housing Administration.

This mortgage secures a loan guaranteed under Section 505 of the Servicemen's Readjustment Act of 1944, as amended, and Regulations issued under the Act and in effect on the date that this loan is submitted and accepted or approved for guaranty shall govern the rights, duties and liabilities of the parties to such loan, and any provisions of the loan instruments inconsistent with such Regulations are hereby amended and supplemented to conform thereto.

The party of the second part may collect a "Late Charge" not in excess of an amount equal to four per cent on an instalment paid more than fifteen days after due date.

And the said parties of the first part expressly agree to pay all instalments of principal and interest of said note promptly as they become due, and to pay all taxes, and assessments of every type or nature against said premises when they become due; and that they will keep the buildings upon the above described real estate insured in such forms of insurance as may be required by the party of the second part, in some solvent incorporated insurance company or companies approved by the said party of the second part for a sum satisfactory to and for the benefit of the party of the second part herein, or assigns, so long as the debt above secured shall remain unpaid, and make the policy or policies of insurance payable to the party of the second part herein or assigns, and deliver the said policy or policies to the party of the second part or assigns, as collateral security for the debt hereby secured.

The said parties of the first part further agree to keep the buildings and other improvements on the said premises in as good condition and repair as they are at this date, and shall not permit nor suffer any waste in and to the property, or any part thereof, and any violation of this covenant shall, at the option of the party of the second part, render the whole of said principal sum and interest due and payable immediately.

And it is further provided and agreed by and between said parties hereto that if default shall be made in the payment of any instalment of interest and principal of said note, or on said prior note and mortgage or assessments on said premises are not fully paid before the same shall become delinquent; or upon failure on the part of the parties of the first part to pay the insurance premiums as heretofore mentioned, or to deliver policy or policies of insurance as above required, then in such case the whole of said principal and interest shall, at the option of said second party or assigns, become due and payable, and this mortgage may be foreclosed at any time after such default; but the omission of the party of the second part or assigns to exercise this option at any time or times shall not preclude said party of the second part from the exercise thereof at any subsequent default or defaults of said first parties in payment as aforesaid; and it shall not be necessary for said party of the second part or assigns to give written notice of its or their intention to exercise said option at any time or times, such notice being hereby expressly waived by said parties of the first part.

It is further provided that said party of the second part or assigns may at its or their option pay said taxes, assessments and insurance premiums on the failure of the parties of the first part to pay the same as above mentioned, and the money so paid, with interest thereon at the rate of four per cent per annum from date of payment, shall be a part of the debt secured and collectible under this mortgage; and the said party of the second part or assigns shall, at its or their option, be entitled to be subrogated to any lien, claim or demand paid or discharged with the money loaned and advanced by the party of the second part and secured by this mortgage. And the party of the second part, or assigns, may pay and discharge any liens that may exist against above described real estate that may be prior and senior to the lien of this mortgage; and the money so paid shall become a part of the lien of this mortgage and bear interest at the rate of four per cent per annum.

In case of foreclosure, said party of the second part, or assigns, shall be entitled to have a receiver appointed by the Court, who shall enter and take possession of the premises, collect the rents and profits thereon and apply the same as the Court may direct, and any judgment for the foreclosure of this mortgage shall provide that all the land herein described shall be sold together and not in separate parcels.

It is agreed between the parties hereto that if the parties of the first part do not maintain the premises in reasonable repair the party of the second part or assigns may do so and may add to the indebtedness any reasonable expense necessary and proper for the maintenance or repair of the security.
