with the appurtenances, and all the estate, title and interest of the said part of the first part therein. And as additional and collateral security for the payment of this mortgage, the interest thereon and the taxes on said land, the undersigned hereby transfers, sets over and conveys to the mortgagee, all rents, royalties, bonuses, delay moneys or other income that may from time to time become due and payable under any oil, gas, mineral or other lease of any kind now existing or that may hereafter be executed or come into existence, covering the land described herein, or any portion thereof, with authority to collect the same, and the undersigned hereby agrees to execute, acknowledge and deliver to the mortgagee, its successors or assigns, such deeds or other instruments as the mortgagee may now or hereafter require in order to facilitate the payment to it of said rents, royalties, bonuses, delay rentals or other income, which rights are to be exercised by said mortgagee only in the event of delinquency or default in compliance with the terms of this mortgage and the note's thereby secured; this assignment to terminate and become void upon the payment and release of this said mortgage. Should operation under any oil, gas, mineral or other lease seriously depreciate the value of said land for general farming purposes, all notes secured by this mortgage shall thereupon become due and payable. And the said part of the first part do hereby covenant and agree that at the delivery hereof they are the lawful owners of the premises above granted, and seized of a good and indefeasible estate of inheritance therein, free and clear of all incumbrances, and that they will warrant and defend the same against all claims whatsoever. This grant is intended as a Mortgage to secure the payment of the sum of Four thousand DOLLARS, according to the terms of one certain promissory note - this said executed by the said part of the first part to the said part of the second part, said note - being given for the sum of Four thousand DOLLARS, dated Oct. 3 - 1949 due and payable five years after date with interest thereon from the date thereof until paid, according to the terms of said note.

And the said part of the first part hereby agree - to pay all taxes assessed on said premises before any penalties or costs shall accrue on account thereof, and to keep the said premises insured in favor of said mortgagee in the sum of Eight thousand DOLLARS, and in some insurance company satisfactory to said mortgagee. In default whereof the said mortgagee may pay the taxes and insuring penalties, interest and costs, and insure the same at the expense of the part of the first part and the expense of such taxes and insuring penalties, interest and costs, shall be added to the rate of ten per cent. per annum. But if default be made in such payment of any part thereof, or interest thereon, or the taxes assessed on said premises, or if the insurance is not kept up thereon, then this conveyance shall become absolute, and the whole principal of said note - and interest thereon, and all taxes and insuring penalties and interest and costs thereon remaining unpaid or which may have been paid by the party of the second part, and all sums paid by the party of the second part for insurance, shall be due and payable, or not, at the option of the party of the second part; and it shall be lawful for the party of the second part, its successors and assigns, at any time thereafter, to sell the premises hereby granted, or any part thereof, in the manner prescribed by law - appraisement hereby waived or not, at the option of the party of the second part, its successors or assigns; and all of the moneys arising from such sale to retain the amount then due or to become due according to the conditions of this instrument, together with the costs and charges of making such sale, and the surplus, if any there be, shall be paid by the party making such sale, on demand, to the said part of the first part, their heirs or assigns.
