

Line 12--A 33000 volt, wood pole, electric transmission line, approximately three and four-tenths (3.4) miles in length extending from Tognonville Junction in Leavenworth County, to the Tognonville Substation in Leavenworth County.

Line 13--A 33000 volt, wood pole, electric transmission line, approximately two and one-tenth (2.1) miles in length extending from Council Grove Junction in Lyon County, to the Council Grove Substation in Lyon County.

Line 14--A 33000 volt, wood pole, electric transmission line, approximately two and four-tenths (2.4) miles in length extending from Jagger Junction in Leavenworth County, to the Council Grove Substation in Lyon County.

Line 15--A 33000 volt, wood pole, electric transmission line, approximately two and one-tenth (2.1) miles in length extending from Council Grove Junction in Lyon County, to the Council Grove Substation in Lyon County.

Line 16--A 33000 volt, wood pole, electric transmission line, approximately one (1) mile in length extending from the substation in the City of Emporia in Lyon County, to the Council Grove Substation in Lyon County.

Line 17--A 33000 volt, wood pole, electric transmission line, approximately twenty (20) miles in length extending from Jagger Junction in Leavenworth County to Boone Station in Leavenworth County, continuing to the 2nd Street Substation in the City of Emporia in Lyon County.

Line 18--A 33000 volt, wood pole, electric transmission line, approximately one and five-tenths (1.5) miles in length extending from Waverly Junction, in Lyon County to Council Grove Junction in Lyon County.

Line 19--A 33000 volt, double circuit, wood pole, electric transmission line, approximately two and four-tenths (2.4) miles in length extending from East Street Substation in City of Emporia in Lyon County, to 2nd and East Street Junction, in Lyon County.

Line 20--A 33000 volt, wood pole, electric transmission line, approximately one and five-tenths (1.5) miles in length extending from Council Grove Junction in Lyon County, to the Council Grove Substation in Lyon County.

Line 21--A 33000 volt, wood pole, electric transmission line, approximately twenty-nine (29) miles in length, extending from Waverly Junction in Lyon County through Lake Junction in Coffey County, continuing to the Waverly Substation in Coffey County.

Line 22--A 33000 volt, wood pole, electric transmission line, approximately twenty-four and six-tenths (24.6) miles in length extending from Council Grove Junction in Lyon County through the Cities of Americus in Lyon County, and Drupeau in Morris County, to the Council Grove Substation in Lyon County.

Line 23--A 33000 volt, double circuit, wood pole, electric transmission line, approximately two and seven-tenths (2.7) miles in length extending from the East Street Substation in the City of Emporia in Lyon County to Dry Creek Junction in Lyon County.

Line 24--A 33000 volt, wood pole, electric transmission line, approximately four-tenths (0.4) mile in length, extending from the power substation in the City of Emporia in Lyon County, to the Council Grove Substation in Lyon County.

Line 25--A 33000 volt, wood pole, electric transmission line, approximately four-tenths (0.4) mile in length, extending from the power substation in the City of Emporia in Lyon County, to the Council Grove Substation in Lyon County.

Line 26--A 33000 volt, wood pole, electric transmission line, approximately one and five-tenths (1.5) miles in length extending from Dry Creek Junction in Lyon County, to Council Grove Junction in Lyon County.

Line 27--A 33000 volt, wood pole, electric transmission line, approximately eighteen and two-tenths (18.2) miles in length extending from Council Grove Junction in Lyon County, to the Council Grove Substation in the City of Emporia in Lyon County.

Line 28--A 33000 volt, wood pole, electric transmission line, approximately twenty-two (22) miles in length extending from the Council Grove Substation in Lyon County, to the town of Strong City in Chase County, and continuing to the Council Grove Substation in Morris County.

Line 29--A 33000 volt, wood pole, electric transmission line, approximately one and five-tenths (1.5) miles in length, extending from Council Grove Junction in Lyon County to Strong City in Chase County.
