demption shall become due and payable upon the redemption date and, if the redemption price shall have been deposited with the Trustee, interest thereon shall cease to accrue on and after the redemption date, and whenever the redemption price thereof shall have been deposited with the Trustee and notice of redemption shall have been duly given or provision therefor made, such bonds shall no longer be entitled to any lien or benefit of said Indenture.

In the event that any bond shall not be presented for payment when the principal thereof becomes due, either at maturity or otherwise or at the date fixed for the redemption thereof, or in the event that any coupon shall not be presented for payment at the due date thereof, and the Company shall have on deposit with the Trustee in trust for the purpose, on the date when such bond or coupon is so due, funds sufficient to pay the principal of such bond (and premium, if any), together with all interest due thereon to the date of maturity of such bond or to the date fixed for the redemption thereof, or to pay such coupon, as the case may be, for the use and benefit of the bearer or registered owner thereof, then all liability of the Company to the bearer or registered owner of said bond for the payment of the principal thereof and interest thereon (and premium, if any), or to the holder of such coupon for the payment thereof, as the case may be, shall forthwith cease, determine and be completely discharged and such bearer or registered owner or holder shall no longer be entitled to any lien or benefit of said Indenture.

This bond is transferable by delivery unless registered as to principal on the books of the Company to be kept for that

purpose at the principal office of the Trustee in the City of Chicago, Illinois (or at the principal office of any successor in trust), and at the office or agency of the Company in the Borough of Manhattan, The City of New York, New York, such registration to be noted hereon. After such registration, no transfer shall be valid unless made upon said books by the registered owner in person or by attorney duly authorized in writing, and similarly noted hereon; but this bond may be discharged from registration by being in like manner transferred to bearer, and thereupon transferability by delivery shall be restored, after which this bond may again from time to time be registered or made transferable to bearer as before. No charge shall be made to the bearer or registered owner hereof for any such registration or discharge from registration, except such amount as may be necessary to cover any stamp tax or other governmental charge incident thereto. Such registration shall not affect the negotiability of the coupons for interest hereto attached, which shall always be payable to bearer and transferable by delivery. In the manner and upon payment of the charges provided in said Indenture and Third Supplemental Indenture, coupon bonds of this series may, at the option of the holders and upon surrender at said office of the Trustee (or of any successor in trust), or at said office or agency of the Company, be exchanged for registered bonds without coupons of this series of the same aggregate principal amount in any authorized denomination.

The Company and the Trustees and any paying agent may deem and treat the bearer of this bond, if it be not registered as to principal, or, if this bond is registered as herein authorized, the person in whose name the same is registered, and the bearer of any coupon hereunto appertaining, as the absolute owner for the purpose of receiving payment and for all other purposes, and neither the Company nor the Trustees nor any paying agent shall be affected by any notice to the contrary.
