All such fees remaining unpaid after the same are due and payable and any penalties thereon shall constitute a first and prior lien in favor of the state upon the truck or truck tractor registered hereunder and all other real and personal property of the owner located within the state in the amount such fees and penalties remain unpaid. Each lien shall attach at the time such unpaid fees and penalties accrue and shall be paramount to all prior liens or encumbrances of any character and to the rights of any holder of the legal title in or to any such truck or truck tractor. When a quarterly installment is delinquent more than ten (10) days beyond the due date, upon default of such installment payment, the county treasurer shall forthwith file a notice of lien in the office of the register of deeds of the county where the registration fee is payable, and in any other county in which such owner has any property. A copy of said notice of lien shall be mailed to the division of vehicles, and the owner so delinquent, and the sheriff of any county in which said notice of lien is filed. Said notice of lien shall set forth the name and address of the owner, the amount of fees and penalties payable and unpaid, and the description of the vehicle or vehicles to which applicable. It shall be the duty of each register of deeds in this state to index and file immediately all such notices of lien in the manner provided in cases of financing statements and no fee shall be charged for filing and indexing. The county treasurer shall issue a release of lien upon payment of all fees and penalties payable by such owner and such person may file the same with the register of deeds of any county in which such notice of lien has been filed. The county treasurer shall mail a copy of the release of lien to the division, and to the sheriff of any county where said notice of lien has been filed.”
